Uncle Bernac Sir Arthur Conan Doyle,2020-06-18 I dare say that I had already read my uncle s letter a hundred times and I am sure that I knew it by heart None the less I took it out of my pocket and sitting on the side of the lugger I went over it again with as much attention as if it were for the first time It was written in a prim angular hand such as one might expect from a man who had begun life as a village attorney and it was addressed to Louis de Laval to the care of William Hargreaves of the Green Man in Ashford

Kent The landlord had many a hogshead of untaxed French brandy from the Normandy coast and the letter had found its way by the same hands My dear nephew Louis said the letter now that your father is dead and that you are alone in the world I am sure that you will not wish to carry on the feud which has existed between the two halves of the family At the time of the troubles your father was drawn towards the side of the King and I towards that of the people and it ended as you know by his having to fly from the country and by my becoming the possessor of the estates of Grosbois No doubt it is very hard that you should find yourself in a different position to your ancestors but I am sure that you would rather that the land should be held by a Bernac than by a stranger From the brother of your mother you will at least always meet with sympathy and consideration
