The Skeleton Man Jim Kelly, 2023-06-22 The Cambridgeshire hamlet of Jude s Ferry is a lonely forgotten spot Requisitioned decades earlier by the Ministry of Defence for military training one of its few claims to fame is that in its entire thousand year history it never recorded a single crime But when a Territorial Army exercise is held amongst the ruins a skeleton is found hanging in a bricked up cellar a noose round the neck It seems that the ghostly village may hide many secrets and local newspaper reporter Philip Dryden is soon on the case Then a man pulled unconscious from the river at nearby Ely claims to have lost his memory yet reacts with startled fear to the name Jude s Ferry

A Circus of Brass and Bone Abra SW, 2015-01-15 It s the end of civilization but the show must go on The Loyale Traveling Circus and Menagerie is in turmoil During their ocean voyage from British India to Boston someone murdered their ringmaster The killer must be one of their own Unfortunately that is the least of their problems While they were at sea an aetheric calamity sent a wave of death rolling across the world In post Civil War America a third of the population died outright and many of the survivors suffer strange nervous symptoms that are steadily increasing in severity Basic technology is also rendered dangerously unstable by the disaster The circus members find themselves traveling through the collapse of civilization In such desperate times what use is a circus If they can defend themselves against the starving populace if they can outwit and outperform the political factions that have seized power if they can fight off the ravaging monstrosities born of the aether storm they just might find the answer

Unsettling Narratives Clare Bradford, 2007-04-26 Children s books seek to assist children to understand themselves and their world Unsettling Narratives Postcolonial Readings of Children s Literature demonstrates how settler society texts position child readers as citizens of postcolonial nations how they represent the colonial past to modern readers what they propose about race relations and how they conceptualize systems of power and government Clare Bradford focuses on texts produced since 1980 in Canada the United States Australia and New Zealand and includes picture books novels and films by Indigenous and non Indigenous publishers and producers From extensive readings the author focuses on key works to produce a thorough analysis rather than a survey Unsettling Narratives opens up an area of scholarship and discussion the use of postcolonial theories relatively new to the field of children s literature and demonstrates that many texts recycle the colonial discourses naturalized within mainstream cultures
