Self Help Mindset Hardcover:

Legacy Mindset Korey Shaffer, 2024-10-15 We're all broken in some way but broken is not forever. In fact, it's just part of the story of how we build our legacies. Entrepreneur and US Marine Korey Shaffer's road through life was tougher than most. After returning from a harrowing tour of duty in Afghanistan and still aching from his troubled childhood and adolescence, Shaffer felt his chance to leave something of value to the world might have passed. But even in despair, he knew that many did not return home at all or returned more broken than he was. Determined that the wounded and fallen not be abandoned or forgotten, Shaffer founded the Til Valhalla Project, an organization devoted to honoring the fallen and preventing veteran suicides. Til Valhalla unexpectedly proved to be Shaffer's salvation as well. Sharing intimate details from his square-peg childhood, reckless adolescence, brotherhood-seeking teen years, and traumatic experiences in combat and back home, Shaffer demonstrates that society doesn't dictate who we are or will be; that is up to us. The path to who we can become lies through careful daily exercise of will, repetition, and affirmation. Shaffer is convinced that the discipline he drew from this struggle can be of use to others. What it takes to overcome the broken state, Shaffer contends, is a willingness to face pain head-on and use adversity as rocket fuel to regain purpose and create resilience. In *Legacy Mindset: Take Charge of Today and Build Extreme Resilience*, Shaffer lays out the sinews and bones of the daily discipline that allowed him to repair what was broken and build upon it. He challenges us to evaluate whether our pain is constructive or destructive, reassess what things in life we assign value to, radically change our daily habits by practicing micro-disciplines, trust our intuition when it is telling us to speak up, and commit to excellence in everything we do, even when no one is watching. *Faith Over Fear* Mandy Schaniel, 2023-10-26 Fear, that pesky four-letter word, drives so much of our life. But what if we told our minds and our hearts to exchange fear for an even more powerful five-letter word: Faith. Retired before age forty after climbing the ladder of many business industry titans like ZipRecruiter and GoHire, Mandy Schaniel knows that success comes from within. It is a mindset, and half the battle of building a success mindset stems from faith, not just in a spiritual sense, though the two go hand in hand, but faith in your calling, your skills, and above all else, yourself. From identifying your purpose to understanding your leadership style, Mandy explains the keys needed to strengthen our whole selves for success. Filled with her personal stories of triumphs, failures, and mentorship moments, *Faith Over Fear: How to Adopt a Success Mindset* is sure to make you laugh, feel uplifted, and inspire you to make moves toward your summit. The climb is not easy; it never is, but Mandy's wisdom will help you to harness your faith, get over your fear, and build a mindset powerful enough to move mountains.
