bakery right until COVID 19 hit at which point I had way too much free time on my hands But now I can state that I found two idealeasy to make bread recipes and perfected them so that anyone can bake a stunning fabulous loaf of bread With minimum effort minimum kitchen appliances and in a non professional very ordinary oven Soft airy crunchy and just absolutely delicious The first recipe in my homemade bread cookbookwill allow you to have fresh bread on your table literally within forty minutes to an hour and most of that time is for proofing and baking The hands on time amounts to like five minutes if that For me this bread resembles the sweet bread made with lots of butter and eggs The secondeasy bread baking recipeis my forever love It is the easiest bread you ll ever make in your life It takes half of a day to make it BUT the actual hands on part is not more than ten minutes and you aren t needed for the rest of the time The proofing and baking will go on without you being anywhere near the kitchen Absolutely gorgeous recipe and for me this one resembles ciabatta Crunchy soft inside with huge amount of bubbles Then to complement this new bread baking superpower of yours this homemade bread recipe book includes 50 fabulous recipes that are truly beloved in my family They are all easy and extremely tasty and a fresh fabulously crunchy piece of homemade bread complements all of them so well Plus there are six of my favorite stunning cocktail recipes that you will love Also the photos are mine and all of these delicious meals were devoured by my family and friends I really hope you enjoy cooking with me Cheers
