Speaking the Truth in Love: The Catechism and the New Evangelization Petroc Willey, Scott R. Sollom, 2020-01-08 It is now just over twenty five years since the publication of the Catechism of the Catholic Church It is also more than thirty five years since St John Paul II called for a new evangelization to be characterized by a new ardor a new expression and new methods The conviction common to the contributors in this volume is that the Catechism flows from just such an ardor Speaking the Truth in Love draws together a group of Catholic scholars and field practitioners to focus on the capacity of the Catechism to be a powerful point for the renewal of Christian catechesis education and culture through its reclamation of the Christian heritage its explanatory power and its compelling articulation of a civilization characterized by faith hope and love A special focus of the book is how the Catechism provides a creative reference point for pedagogical renewal in the Church Since the publication of the Catechism of the Catholic Church in 1992 catechists and pastors of souls have discovered how it has served as a great instrument of the New Evangelization We have awaited this volume as a mature reflection on its vital place in the hope expressed by St John Paul II for a springtime of New Evangelization In these pages you will find testimony on how through the Catechism this springtime is already taking shape Most Rev Mark Davies Bishop of Shrewsbury Province of Birmingham England

positions that some find inexplicable even cruel In *The Truth of Catholicism* George Weigel author of *Witness to Hope* The Biography of Pope John Paul II explores these perennial questions and more showing Catholicism and its controversies from inside the convictions that make those controversies not only possible but necessary The truths of Catholicism then come into clearer focus as affirmations and celebrations of human life and human love even as they challenge us to imagine a daring future for humanity and for ourselves *Toronto Journal of Theology* ,2003 **New Covenant** ,2000 Pro Ecclesia ,1996 The Catholic World Report ,2006 *First Things* ,2005 **The Catholic Periodical and Literature Index** ,2006
