Crime and Justice at the Millennium Robert A. Silverman, Terence P. Thornberry, Bernard Cohen, Barry Krisberg,2013-03-09 Ira Lipman Marvin Wolfgang was the greatest criminologist in the United States of America in the last half of the 20th century if not the entire century We first met on March 3 1977 in Philadelphia I sought him out after his work with Edwin Newman s NBC Reports Violence in America He was a tender loving caring individual who loved excellence whether it be an intellectual challenge the arts or any other pursuit It is a great privilege to take part in honoring Marvin Wolfgang a great American Our approaches to the subject of crime came from different perspectives one as a researcher and the other as the founder of one of the world s largest security services companies We both wanted to understand the causes of crime and our discussions began a more than 21 year friendship based on mutual respect and shared values Dr Wolfgang s scholarship aimed for the goal of promoting a safer more prosperous society one in which economic opportunity replaced criminal enterprise He never saw crime in isolation but as part of a complex web of social relations Only by understanding the causes and patterns of crime can society find ways to prevent it Only through scholarship can the criminal justice community influence policy makers To encourage the innovative scholarship that marked Marvin s career Guardsmark established the Lipman Criminology Library at the University of Pennsylvania at his request and created a national criminology award in his name the Wolfgang Award for Distinguished Achievement in Criminology

Autonomy, Gender, Politics Marilyn Friedman,2003-01-09 Women have historically been prevented from living autonomously by systematic injustice subordination and oppression The lingering effects of these practices have prompted many feminists to view autonomy with suspicion Here Marilyn Friedman defends the ideal of feminist autonomy In her eyes behavior is autonomous if it accords with the wants cares values or commitments that the actor has reaffirmed and is able to sustain in the face of opposition By her account autonomy is socially grounded yet also individualizing and sometimes socially disruptive qualities that can be ultimately advantageous for women Friedman applies the concept of autonomy to domains of special interest to women She defends the importance of autonomy in romantic love considers how social institutions should respond to women who choose to remain in abusive relationships and argues that liberal societies should tolerate minority cultural practices that violate women s rights so long as the women in question have chosen autonomously to live according to those practices
