**State Violence and Moral Horror** Jeremy Arnold, 2017-10-06 Can state violence ever be morally justified In **State Violence and Moral Horror** Jeremy Arnold critically engages a wide variety of arguments both canonical and contemporary arguing that there can be no justification Drawing on the concept of singularity found in the work of French philosopher Jean Luc Nancy Arnold demonstrates that any attempt to justify state violence will itself be violent and therefore must fail as a justification On the basis of this argument the book explores the concept of moral horror as the experience of living amidst and acquiescing to unjustifiable state violence The careful explanation of arguments from across the spectrum of political theory and exceptionally clear prose will enable both advanced undergraduates and more general readers interested in political thought to understand and engage the central argument **State Violence and Moral Horror** is a unique contribution to the growing literature on violence and will be of interest to political theorists and philosophers in both the analytic and continental traditions philosophers of law international relations theorists law and society scholars and social scientists interested in normative aspects of state violence

**Our Lives To Live: Putting A Woman's Face To Change In Singapore** Kanwaljit Soin, Margaret Thomas, 2015-05-05 **Our Lives to Live: Putting a Woman's Face to Change in Singapore** explores and documents how women's roles choices and voices in Singapore have changed in the last 50 years how women from all sectors of society have helped to shape the Singapore we know today The 31 chapters some with a more academic slant others with a distinctly personal tone reflect the rich diversity and depth of women's

contributions to Singapore's evolution in the last half century and also point to the problematical areas that still need attention. The perspectives in this book are provided by three generations of women and they put a human face to the woman's face to the tremendous changes in Singapore society over the past 50 years. The authors include some of Singapore's most accomplished women in many different fields: Speaker of Parliament Halimah Yacob, political scientist and diplomat Chan Heng Chee, global women's activist Noeleen Heyzer, sociologist and politician Aline Wong, food ambassador Violet Oon, sports legend Pat Chan, law lecturer and playwright Eleanor Wong, and novelist Meira Chand.

**The Life and Death of Mahatma Gandhi** Robert Payne, 2014-06-06. This is the heroic story of the man whose non-violent movement transformed his native India both spiritually and politically as it impelled the nation along the road to independence. With consummate skill in a narration that never flags in vividness and drama, Robert Payne re-creates Mahatma Gandhi both as a spiritual and historical force and as a living personality. When in January 1948 Gandhi was assassinated in Delhi by a fanatic, his death sent shock waves around the world. For two generations he had been the conscience of his country and the world. Planting the idea of non-violence firmly in men's minds, he had not only conquered India but also changed the landscape of the human heart. In the tradition of his best-selling biographies of Lenin and Schweitzer, Robert Payne's life brings Gandhi alive as a rounded personality. Beginning with the moving story of a shy, awkward boy from a provincial Indian city who married at thirteen, then was separated from his bride for years while he read law in London, the book describes Gandhi's life as a successful barrister in South Africa who turned his back on wealth to defend Indian settlers against discrimination and persecution. Robert Payne superbly describes Gandhi's daring marches to aid the oppressed, his fasts and imprisonments, his historic achievements at international congresses and conferences in India and England where, clad only in shawl and loincloth, he met with prime ministers and viceroys and won their respect as he fought for the dignity and freedom of his people. I would place Robert Payne's book on the level of a great novel by Tolstoy, swiftly moving, panoramic, written on the canvas of destiny and of close historical characterization. writes Dr. Amiya Chakravarty, former private secretary of Rabindranath Tagore, who knew Gandhi personally and worked with him. It is one of the great biographies. No finer account of Gandhi's life and death has been written.
