

The DK logo is located at the top center of the book cover. It consists of the letters 'DK' in a white, bold, sans-serif font, enclosed within a white square border.A large, stylized zodiac wheel is the central focus of the cover. It is drawn with red lines on a dark blue background. The wheel is divided into twelve segments, each containing a zodiac symbol. The symbols are arranged clockwise from the top: Aries (♈), Taurus (♉), Gemini (♊), Cancer (♋), Leo (♌), Virgo (♍), Libra (♎), Scorpio (♏), Sagittarius (♐), Capricorn (♑), Aquarius (♒), and Pisces (♓). The wheel is surrounded by a pattern of white lines radiating outwards, resembling a star map or a constellation chart.

**The Astrological Imagination** Brad Hiljanen Kochunas,2008-09 Many books today simply widen the field of astrology by promoting newly created techniques or championing older historical methods for investigating every possible nook and cranny of a horoscope In contrast this award winning writer points the reader in a new direction toward deepening the way that we approach and think about astrology in these post modern times Drawing upon the archetypal perspectives of Mircea Eliade James Hillman and Thomas Moore the author presents a truly psychological astrology an astrology of soul that can plumb the depths of our being sounding out our centers in a manner that enriches our

struggle to fully engage what it means to be human

**The Advantages and Disadvantages of Astrology** Derek Ellison, 2018-09-24 Making life altering decisions using astrology in general and the zodiac and horoscopes in particular can be extremely complicated for the average person who is not an astrologer and thus not acquainted with celestial or planetary movement and influences Most of the information provided by astrologers mean little or nothing to the average person who is simply more interested in will I be successful or will I find true love etc Astrology has the ability to be a major asset in our lives The key to astrology is not in only understanding the effects that the celestial planetary influences are having on us and the people associated with us but the effect the influences are having on the environment around us and those we are targeting with our concerns Only then can we attempt to make decisions that are advantageous to our and their existence The purpose of the astrological knowledge and Life Charts in this book is to give you a broader view of the character and personality of people places and things This book will help you to understand which planetary influences are having the greatest and least effects on your life and the lives of others This book will help you to determine which year month week day hour and minutes favor your intentions or may be unfavorable to your intentions This book will teach you how to see the planets and their actions reflected in the people places and things around you Best of all this book was designed to will provide you with the astrological knowledge you need without all the ever expanding and complicated signs symbols and calculations that normally require years of study to master This book is not designed to teach you predictive astrology as no form of astrology and no astrologer can offer guarantees for the future This is due to the fact that you have a free will which means that you can change your mind at any time Proper use of astrology can only offer better odds for success in our undertakings

**Experiments & Experience with Astrology** Stephen Arroyo, 2020-10-13 In this eBook original numerous practical as well as philosophical issues are explored In an in depth wide ranging interview appearing in book form for the first time Stephen Arroyo answers questions about his early years in astrology how he came to write some of his classic works and his views on various central issues in astrology s current practice and potential future development In another chapter he provides concise new observations and guidelines that provide more insightful ways of understanding many factors in both individual birth charts and chart comparisons In the other sections of this book he discusses what astrology can contribute to psychology how to understand the Ascendant and possible explanations of transits powerful effects And importantly this is the only book currently available that describes and explores his unique theory of subtones as an incisive psychologically revealing method of achieving greater depth in understanding any birth chart In short utilizing subtones is a method of synthesizing the major chart factors in any person s chart in a simple quick way that people at any level of astrological knowledge can easily learn and reliably use

Your birth chart is a snapshot of the sky taken at the moment and place of your birth, one that reflects your character, personality, strengths and challenges. But the moment after that picture was taken, the planets moved on, some quickly, some very slowly. Astrologers call the moving planets transits and by comparing their movements to your birth chart, you can gain a complete view of how best to prepare for challenges, meet opportunities and stay grounded in a constantly changing world. In *Astrological Transits*, astrologer April Elliott Kent will guide you through the best ways to make the most of your birth chart. Learn how to make the most of good transits and harness and transform the energy of bad ones. You'll also understand planetary cycles and anticipate your own transits. Finally, you'll know how to read planetary return charts, work with planetary retrogrades and use eclipses to recognize major patterns and turning points in your life. If you are comfortable reading a birth chart, you are ready to move your chart into the future using transits. Instructions, tables and worksheets will make tracking your transit cycles simple and exciting.
