Using Color Action Art:

Performance Anthology Carl E. Loeffler, Darlene Tong, 1989 Performance art is a major contemporary art form and California is recognized internationally as a pivotal area for innovative performance art activity This updated edition of Performance Anthology offers an extraordinary documentation of California performance art from 1970 through 1989 The anthology provides a chronicle of the literature of artists publications art journals major books and catalogues introductions and original essays by artists and leading historians and critics of performance art in California and photographs illustrating major works by California artists Through the documentation of the literature a framework is established of the artists events organizations and spaces that have been instrumental in launching and sustaining the performance art scene in California

Performance Art Alix Wood, 2014-12-15 Performance art encompasses a wide variety of artistic pursuits from modern dance to artists presenting something about themselves as art It s another form of art that divides the art community some say it s art others say it isn t Readers consider both sides of the coin through an introduction to the topic informational sidebars and full color photographs A colorful fun layout invites readers into the vibrant world of performance art while the main content engages their brains with critical thinking questions which ultimately ask is it art *The Theory of Color in Its*

 Feminism Art Theory* Hilary
 Robinson,2015-04-20 Charting over 45 years of feminist debate on the significance of gender in the making and
 understanding of art the long anticipated new edition of *Feminism Art Theory* has been extensively updated and reworked
 Completely revised retaining only one third of the texts of the earlier edition with all other material being new inclusions
 Brings together 88 revealing texts from North America Europe and Australasia juxtaposing writings from artists and activists
 with those of academics Embraces a broad range of threads and perspectives from diverse national and global approaches
 lesbian and queer theory and postmodernism to education and aesthetics Includes many classic texts but is particularly
 notable for its inclusion of rare and significant material not reprinted elsewhere Provides a uniquely flexible resource for
 study and research due to its scale and structure each of the seven sections focuses on a specific area of debate with texts
 arranged chronologically in order to show how issues and arguments developed over time
