Blueprint Montessori Activities:

Dialogic Pedagogy Anne Thwaite, Alyson Simpson, Pauline Jones, 2023-05-18 Taking a dialogic approach this edited book engages in analysis and description of dialogic discourse in a number of different educational contexts from early childhood to tertiary with an international team of contributors from Australia Finland New Zealand and the United Kingdom The chapters focus mostly on dialogic face to face discourse with some examples of online interactions and feature insights from educational linguistics particularly the work of Michael Halliday While the contributors come from a range of theoretical backgrounds they all share an interest in language in use and engage in close analysis of transcripts of naturally occurring interaction Taking inspiration from Alexander and other theorists they employ a fine grained and analytic approach to the exploration of their data The authors make use of the linguistic tools and models of language in society in order to examine the turn by turn unfolding of the interaction The authors relate their insights from disparate forms of linguistic analysis to elements of Alexander's 2020 dialogic framework situating the discourse in its contexts and discussing the pedagogical implications of the linguistic choices at play In presenting this work from a range of situations and perspectives the authors strive to demonstrate how dialogic discourse plays out in educational contexts across the world The book aims to foster further research in this direction and to inspire educators to explore dialogic discourse for themselves It will be of interest to a wide audience including literacy researchers linguists teachers and teacher educators as well as graduate students
