Fan Podcasts Anne Korfmacher, 2024-06-28 Starting from the observation of the ubiquity of fan podcasts engaging in media commentary this book explores three fan podcast genres in which commentary manifests as a structuring form rewatch and reread podcasts recap podcasts and review podcasts The author conducts a formalist genre analysis of these podcasts close reading nine case studies to describe how the three genres function and how different fan labour manifests in podcasting Each case study teases out the themes style and formal constellations of the three podcast genres shows how different fans activate the affordances of podcasting and commentary and reveals the distinct generic functions of the three podcast genres This book will be of significant interest to scholars and students in podcast studies fan studies cultural studies and literary studies who are interested in fan podcasts podcast genre analysis and ways of close reading podcasts as texts

Fan Fiction Genres Julia Elena Goldmann, 2022-09-01 What if James T Kirk and Spock had a baby left the Enterprise and moved to New Vulcan to live happily ever after Fan fiction plots like this are a strong testament of fans endless creativity Not only do the authors invent their own storylines but they have developed a generic definition of content across fandoms according to the relationship present in the text Classification is therefore profoundly related to gender and sexuality Julia Elena Goldmann examines these generic structures and formulaic patterns comparatively in Star Trek and Supernatural fan fiction She also focuses on the interplay of the concepts of gender sexuality relationships and depictions of family in these texts

Productivity Guide Fan Favorite: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Productivity Guide Fan Favorite : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Productivity Guide Fan Favorite : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
