**Tradewind Terror** Paul Leighty, 1995-09-01      **Trade Winds** Angel Payne, 2019-01-11 LORDS OF SIN NOVELS ARE STANDALONE ROMANCES THAT CAN BE READ IN ANY ORDER The hellion who changed everything The pirate who transformed her Mast Iverson captain of the brigantine ship Athena has one firm rule on his voyages across the globe no women aboard That all changes when a favor to a friend brings him face to face with a golden eyed goddess who awakens his body and captivates his soul Golden Gaverly has a different agenda for the dark towering sea captain who wants nothing to do with her Years before the crew of the Athena killed her parents and left her for dead until she was found and raised by the Arawak tribe She s waited her whole life for revenge The only thing standing in her way is Mast Iverson and a love too strong to be denied      Trade Wind Danger Carolyn Keene, 2012-05-08 San Francisco has tons to offer tourists like Bess George and me Fresh crabs cable cars hikes and stalkers Well maybe stalkers is a little harsh but this older couple Ed and Harriet keeps popping up everywhere Coincidental or not Ed and Harriet s appearances are smelling fishier than San Francisco Bay to me So the investigation begins But who knew it d lead to more sleuthing in Hawaii      **Krewe of Infamy** Paul Leighty, 1999-07 With all that has already been written about New Orleans author Paul Leighty Tradewind Terror is rarely reluctant to add his intriguing new twists to this city s rich past Beginning in 1984 and ending 12 years later Leighty takes the reader through a maze of murder coercion embezzlement and romance Anyone who has ever been to the Crescent City will be allowed once again to return here and follow its author as he weaves his plots and sub plots through the area s famous locales Only this time you will be introduced to the uncensored characters and a dark underworld whose schemes terrify and brutalize Leighty s city streets Even members of privileged New Orleans families with beginnings spanning back to post Civil War would be hard pressed to understand the heinous dealings about to be tested behind such closed doors And to Roger Buisson Luckett III the heir to one of Louisiana s wealthiest firms the insidious crimes of his family s past could not be more deplorable Once he realizes the consequences of his father s secret organization KORA Krewe of Royal Acadians he initiates a plan aimed at destroying the terror which has victimized countless individuals Even his own safety is jeopardized when he seeks the help of a reporter named Michael Ravelli Together they establish a secret trust fund for all persons impacted by the satanic dealings of this heinous society a cabal whose sole purpose is to perpetuate and protect its burgeoning wealth Set in New Orleans downtown and Lakefront district Krewe of Infamy introduces the reader to characters only a native can capture On the surface of this uninhibited city life goes on with its millions of visitors and ordinary street characters But within its corporate offices and garden courtyards lie the malicious dealings of underground mobsters politicians doctors and attorneys whose reputations are as colorful and scandalous as the environment in which they move There are few accounts where the likes of Jeremiah Packard Andre DeVerges Charles Trelease or Cenobio Alvarez can be found But here deep in the South these characters lives will touch upon each other in ways that are difficult to imagine let alone anticipate Yet beneath the multiple

details leading to the demise of this centuries old society there is an intricate mixture of romance and political manipulation Meet Carolyn Durant whose seductive posture allows her to carry on the vengeful plottings of her father With her penetrating charm and beauty Carolyn has been given control of a murderous world with no limits Power is her sole objective and while she eventually allows herself the love of one man her yearning for fame proves insatiable Barbara Ravelli a newspaper columnist who must undergo the possible loss of a son and her own kidnapping will eventually achieve what Carolyn can only share briefly the everlasting bonds of friendship and marriage Loretta Mae Packard wife of a corrupted senator and indebted KORA member will discover that adultery is easier to overcome than the sterility of a failed marriage As for the others their stories are slowly woven and intermingled in the activities of not only local agents but FBI enforcers and other undercover officials Using the native color vernacular and street and swamp settings for the story s continuous action Krewe of Infamy instantly captures the ambience of New Orleans Artfully depicted are the Bourbon Street crowds popular restaurants and secrets waterfront activities With a cast consisting of out of town hoodlums to corrupted realtors and bankers the story weaves a continuous web around a vast array of characters whose actions will sometimes leave you in disbelief Yet throughout this dark world where family and love are so readily sacrificed for money and power there still exist relationships which reveal the true human spirit How this spirit triumphs however can only be found by going deep into the streets that care for
