Tramp And I:

Lady and the Tramp and Me B.L. Berg,2023-12-08 Life doesn't always turn out the way you think it should does it For instance what happens when you get a puppy you don't want For Simon that answer is simply nothing good His life as a happy bachelor is torpedoed when he reluctantly accepts a puppy of indeterminate breed who names himself Tramp and seemingly never ever stops growing personality included Any principles for raising a dog are put to the test and so is Simon's state of mind when his sex life is sabotaged his sports car rendered useless and Tramp is spending all of Simon's money And then there's the women quite a few of them but one in particular The angry one in the park who likes dogs and who wonders if Simon is a stripper because he flashes her his ass But in reality he looks like he's just escaped from an asylum And that's just the beginning [A Day with a Tramp, and Other Days](#) Walter A. Wyckoff,2019-12-06 In *A Day with a Tramp and Other Days* Walter A. Wyckoff embarks on a vivid exploration of life on the margins of society meticulously documenting his encounters with tramps and the unvarnished reality of their existence in late 19th century America Written in a poignant yet accessible style the book combines elements of personal narrative and social commentary reflecting the prevalent issues of poverty and class disparity during a time when industrialization was dramatically reshaping the nation Wyckoff's reportage is interwoven with rich description revealing not only the struggles faced by these individuals but also their resilience and humanity amidst hardship Wyckoff a noted sociologist and journalist drew on his experiences as he navigated through diverse social strata which fueled his interest in social reform and the plight of the underprivileged His background in both the academic and practical aspects of sociology provided him with a unique lens through which he critiqued societal norms and attitudes towards the disenfranchised His insightful observations are rooted in his deep empathy and a desire to foster understanding across societal divides This book is an essential read for those interested in social justice historical sociology and literary non-fiction Wyckoff's empathetic portrayal challenges readers to reconsider their perspectives on societal outcasts urging a compassionate response to human suffering Those who appreciate evocative narratives that provoke thought and encourage action will find *A Day with a Tramp and Other Days* to be both enlightening and inspiring **A Tramp's Notebook** Morley Roberts,2022-12-30 Excerpt How much bitter experience a man keeps to himself let the experienced say for they only know For my own part I am conscious that it rarely occurs to me to mention some things which happened either in England or out of it and that if I do it is only to pass them over casually as mere facts that had no profound effect upon me But the importance of any hardship cannot be estimated at once it has either psychological or physiological sequelae or both The attack of malaria passes but in long years after it returns anew and devouring the red blood it breaks down a man's cheerfulness a night in a miasmatic forest may make him for ever a slave in a dismal swamp of pessimism It is so with starvation and all things physical It is so with things mental with degradations with desolation the scars and more than scars remain there is outward healing it may be but we often flinch at mere remembrance [A](#)
