Who Murdered Yitzhak Rabin Updated English Version:

Lies, Israel's Secret Service, and the Rabin Murder David Morrison, 2000 The history of confessed lies from Israel's Secret Service and its impact on the continued cover up of Prime Minister Rabin's murder Here we are blaming Yigal Amir but it is not that simple It's much deeper and more complicated Dalia Rabin Philosof Olam Ha Isha Women's World November 1999 There is nothing sacred not in the verdict nor in the findings of investigation committees Tom Segev Ha aretz October 1999 **The Last Days of Israel** Barry Chamish, 2000 Barry Chamish is changing Israel's perspective as no other journalist in his field His previous books *Who Murdered Yitzhak Rabin* *Traitors and Carpetbaggers in the Promised Land* and *Israel Betrayed* have documented Israeli leadership controlled by dangerous secretive European and American power brokers using murder to push peace down an unwilling Israeli public's throat His research has been accepted in Israel and worldwide Chamish's Hebrew work has climbed to the top of the Israeli bestsellers lists while his editions in English Spanish French Russian and German are impacting readers on 3 continents In *The Last Days of Israel* Chamish goes farther than ever before He names names He identifies Israel's hidden enemies and shows readers who really murdered Rabin This book puts all of his previous research into highly focused perspective When widely understood this perspective has the potential of saving Israel This book is a powerful tool for Israel's defense from the cover [WHO MURDERED YITZHAK RABIN \[black and white version\]](#) Barry Chamish, 2011 *The Rabin File* Uri Milstein, Aryeh 'Amit, 1999 Presenting a thorough understanding of Rabin Dr Milstein enlightens the reader to the complex political culture of the State of Israel This riveting and thought provoking book will explain how little children were able to chase the mighty IDF from the Gaza Strip how the Hizballah defeated the IDF in Southern Lebanon and how Israel turned from a strategic ally of the United States to an American economic burden [Periphery](#), 2003 **Who Murdered Yitzhak Rabin?** Barry Chamish, 2000 Chamish has carefully reviewed both the official government position on the Rabin assassination and collected a huge amount of information connected to the event and carefully cross checked it The Israeli government's official position supported by a special government commission is that a lone gunman Amir assassinated Rabin Now learn the truth behind Prime Minister Yitzhak Rabin's assassination Read about ballistics reports and an amateur film of the assassination which was doctored to hide the truth but helps reveal it Conflicting testimonies by over a dozen witnesses including trained police personnel and bodyguards is presented on how many shots were fired and where exactly the shots came from cries that the bullets fired by Amir were blanks hence harmless came from these police and bodyguards There was little attempt to contain the shooter Amir before or after the shots were fired the chain of evidence to the guns and the bullets that reportedly killed Rabin is broken Rabin's wife was taken to secret service headquarters rather than to the hospital to her husband Autopsy reports that first indicated the fatal wound was to Rabin's chest were later changed so the bullets came from the back where Amir the convicted murderer was standing The strong possibility is that the fatal shot was administered in the car going to the hospital

or in the hospital Read testimonies that changed over time from the event to the trial of Amir Chamish reviews the evidence relating to all these details and more surrounding the assassination A far more sinister truth than the official version unfolds This newly expanded edition reveals the conclusive evidence that dramatically changes one's views of the assassination

Rabin A dramatic tale of treachery and betrayal Murder in the Name of God investigates and recreates the historic events of
November 4 1995 On that night a twenty five year old student named Yigal Amir assassinated Israeli Prime Minister Yitzhak
Rabin an act that abruptly changed the course of Israeli politics Based on exhaustive research including an exclusive
interview with the assassin Murder in the Name of God is the first book to give the full story of the people whose words and
actions made Rabin's assassination inevitable the nationalist rabbis who condemned Rabin by invoking an arcane talmudic
ruling the militant settlers and right wing politicians who launched a sophisticated campaign of incitement against him and
the security experts who saw what was coming but failed to act In a series of shocking revelations the book ranges beyond
Israel to expose the extent of American support financial and ideological for the movement that produced Rabin's killer Far
more than the tale of an assassination Murder in the Name of God is a powerful indictment of a society's failure to examine
itself honestly and to bring its own worst enemies to justice Films and Filming ,1976 *The Jewish Week and the*
