Whistle Stop:

Truman's Whistle-stop Campaign Steven R. Goldzwig, 2008-03-26 Faced with the likely loss of the 1948 presidential elections Harry S Truman decided to do what he did best talk straight When Truman boarded the train to head west in June 1948 he and his campaign advisors decided to shift from prepared text to extemporaneous stump speeches The new Truman emerged as a feisty engaged speaker brimming with ideas on policies and programs important to the common citizen Steven R Goldzwig engagingly chronicles the origins of Truman's give em hell image and the honing of his rhetorical delivery during his ostensibly nonpolitical train trip west which came to be known as his whistle stop tour At the time Truman was both applauded and derided by the public but his speeches delivered at each stop helped win him the presidency Goldzwig's detailed look at the background of the campaign Truman's preparations and goals the train trip itself and the text and tone of the speeches helps us better understand how Truman carried the 1948 election and came to represent the plainspoken man of the people who returns from behind to win against all odds

Orion Richard Turrell McMullen, 1878 **Fifty Years Among the New Words** John Algeo, Adele S. Algeo, 1991 American Speech the journal of the American Dialect Society has included a regular collection of neologisms called Among the New Words One issue for example includes four quotations for date rape two for designated driver and six for DNA fingerprinting intifada and other current terms Complete documentation is given for all citations which are fuller than those given in most dictionaries At the time these terms appeared in Among the New Words they appeared in none of the major dictionaries A survey of Among the New Words can therefore reveal much about the origin and early use of these expressions and the social climate in which they prospered Now this valuable resource is available in one volume first published in 1992 The original articles themselves are reproduced and John Algeo has prepared a complete index with glossary to every word and expression included in the 113 installments of Among the New Words It is a unique repository of language use from 1941-91
