White Eyelash:

Tears of the Desert Halima Bashir,2012-08-30 Halima Bashir was born into the remote western deserts of Sudan She grew up in a wonderfully rich environment and later went on to study medicine At the age of twenty four she returned to her tribe and began practising as their first ever qualified doctor But then a dark cloud descended upon her people Janjaweed Arab militias began savagely assaulting her people At first Halima tried not to get involved But in January 2004 they attacked people in her village Halima treated the traumatised victims and was sickened by what she saw She decided to speak out in a Sudanese newspaper and to the UN charities Then the secret police came for her For days Halima was interrogated and subjected to unspeakable torture She finally escaped but the nightmare just seemed to follow her This inspiring story tells of one woman s determination to survive and her passion to defend her people For the first time we can truly understand the personal horrors of Darfur from someone who lived through it Talisman ,2003
