The Emotionally Intelligent Manager David R. Caruso, Peter Salovey, 2004-03-15 We have long been taught that emotions should be felt and expressed in carefully controlled ways and then only in certain environments and at certain times This is especially true when at work particularly when managing others It is considered terribly unprofessional to express emotion while on the job and many of us believe that our biggest mistakes and regrets are due to our reactions at those times when our emotions get the better of us David R Caruso and Peter Salovey believe that this view of emotion is not correct The emotion centers of the brain they argue are not relegated to a secondary place in our thinking and reasoning but instead are an integral part of what it means to think reason and to be intelligent In *The Emotionally Intelligent Manager* they show that emotion is not just important but absolutely necessary for us to make good decisions take action to solve problems cope with change and succeed The authors detail a practical four part hierarchy of emotional skills identifying emotions using emotions to facilitate thinking understanding emotions and managing emotions and show how we can measure learn and develop each skill and employ them in an integrated way to solve our most difficult work related problems

Emotional Intelligence for Leadership Mike Collins, 2020-10-13 Do You Want To Become An Excellent Leader This Book Will Transform You In 30 Days Have you ever worked under an excellent leader You trusted them at once felt their appreciation and support admired their communication skills and watched them solve conflicts with effortless ease Your motivation skyrocketed You just felt good What if you could be like this person What if working on a single skill would instantly make you a better leader That skill is emotional intelligence It helps you understand appreciate and influence emotions both yours and other people's This is the key skill when it comes to working with people The good thing about emotional intelligence is that you can improve it at any age even if you weren't born an excellent leader you can become one if you put in the work With this book you will do it in 30 days Start now and you won't recognize yourself in a month Here's a sneak peek of what lies in store The ultimate strategy for managing your anger fear and laziness Life changing tips for understanding and subtly influencing people's emotions Eye opening advice on improving your relationships in the workplace A step by step guide to becoming the best leader you can be spoiler you can be awesome
