Stand Firm:

Standing Firm in the Faith James Morrisson,2004-11 After many years of wandering in a secular humanist wilderness James Morrisson became a Christian at age 66 He quickly developed a deep love for the life giving truth of Scripture Standing Firm in the Faith reflects his rich and varied training and experience It has the broad perspective of a student of history the sharp reasoning of a lawyer the practical down to earth examples of a teacher and the passion of a classical musician It also reflects the love of a man who is Dad and Grandpa to many members of his church The purpose of Standing Firm in the Faith is very practical to let Scripture stir people into action Whether you are a new believer or a seasoned Christian it will give you a solid Scriptural foundation for being an overcomer so that you can stand your ground in these challenging times This is more than a discussion of important Scriptural principles It is also a personal testimony of how the life giving mind transforming power of Scripture can change our lives Thank you so much for the labor of love you have given in the clarity and soundness of this high impact book Dr Joseph Umidi Professor of Ministry Regent University *Facing Fear* Anna Hampton,2023-05-16 Developing an Anti Fragile Faith Violence against Christ followers is increasing globally The lived reality for many Christians involves daily threats risks and persecution When evil casts its shadow on us and we are tempted to despair it is vital to develop anti fragile faith and the guts to endure in hard places Facing Fear is a practical guide for believers who long to have bold mature courage Cultivating this courage is necessary to endure wisely for Christ s sake Anna Hampton integrates exegesis and psychology to explain how humans respond to fear and how the Holy Spirit enables us to make a different choice than our normal Learning to face our fears name them and manage them requires learning specific steps to reduce their impact on us This book is a pastoral and practical resource for those working to advance the gospel in the world s most dangerous places You ll gain valuable skills to become shrewd as a serpent and stand with unshakable faith in unsafe situations Risk can be an offering of worship Jesus is worthy of whatever pain you go through whatever loss you experience and whatever fears you have Stand Firm to Be Free! Walter Hansen,2009-10-05 In this commentary G Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application In so doing he emphasizes partnership the social and corporate dimensions of community in the progress of the

gospel After a select bibliography Hansen s introduction sets forth the historical setting of the church in Philippi the nature and occasion of the letter and a preview of two key themes the gospel of Christ and the community in Christ The commentary itself discusses Philippians in light of these themes considering Paul s greetings reports of gospel ministry imperatives for citizens worthy of the gospel recommendations of two Christ like servants and disclosures of his personal experience Hansen s treatment as a whole is distinctive for the way it draws out and highlights the themes of partnership citizenship and friendship in Paul s Philippian letter With themes and emotions so varied the letter to the Philippians needs a commentator with a sure grasp and a warm heart Hansen writes with admirable clarity and simplicity even when he is unpacking notoriously complex matters D A Carson from the preface
