

STANDARD TEST TYPES

- 4 Point** **1** Small Bible
The only accurate way to measure sight is by means of letters or carefully graded characters, viewed at a distance of twenty feet away. Quite a variety of such cards have been devised by eminent doctors. Near test types are used to determine the patient's ability to see to read at the proper distance. Type as small as this is not in general use for books or papers, except where lack of space necessitates it.
- 5 1/2 Point** **2** Newspaper
The terms used by printers to designate the different sizes are adopted, and familiar examples given the customary use of each. Spacing between types increases legibility, therefore, the "leading" has been made to conform with standard typography. Newspapers are usually printed in 5½ and 7 point. Most magazines use larger type.
- 7 Point** **3** Newspaper
This paragraph and the one before it are set in the style and sizes of type that are frequently used in newspapers. The 5½ point size is used in the sports and market pages, and the 7 point in news columns. Newspaper types are smaller than book types and they are used here to make this test.
- 10 Point** **4** Test Books
Books should be printed on dull finished paper. It is very unfortunate the publishers of textbooks for schools and colleges so frequently ignore this fact, in order to get good impressions of illustrations for which glossy finish is needed.
- 11 Point** **5** Books
For prolonged use of the eyes the type should be several sizes larger than the smallest which can be read. The ordinary book is printed in 10 point or 11 point, but in order to read this comfortably one should be able to read 5½ point.
- 12 Point** **6** Books
In order to get a proper illumination one should sit with his back to the light. Objects are seen by the light which goes from the object to the eye, not the eye to the object. This precaution is quite commonly neglected.
- 18 Point** **7** Children's Books
Children should be allowed to use only such books as are printed in large, clear type, and excessive reading forbidden.
