Taxi Drivers London:

How to Be a 1960s London Taxi Driver Ian Mossey, Neil Mossey, 2018-08-13 My Dad s a London taxi driver A cabbie Licensed Owner Driver of a black taxi That s silver Except he s stopped driving now Taxi drivers don t retire They just stop driving And hand in their precious Green Badge You don t get a leaving gift and goodbye card even after serving Londoners for over 50 years But he pounded the streets of London for money And I knew it was hard getting that licence that Green Badge When he stopped driving I suddenly realised that I had no idea exactly how hard Or how he got there Or why And I ve got kids I know they will ask me about him or look him up in the future So in the Summer of 2018 I set up a camera and we had a chat Ian covers what it was like to pass The Knowledge the toughest road test in the world to memorise every street building and place of interest in London Getting the Green Badge Hiring and buying a London black taxi cab How London s licensed taxi radio circuits worked and how to join them plus the tricky odd and weird customers he s faced over the years I hope this helps anyone in the future researching the London Licensed Taxi Cab Trade Black Taxis and private hire cabs in general or even public transport in London Thanks for coming along for the ride

Abstracts of Black Cab Lore Sean Farrell, 2018-11-04 For four hundred years London taxi drivers have been serving the capital in one form or another From hackney coaches to Hansom cabs from taxicabs to black cabs the vehicles may have evolved but the driver has remained basically the same But who were the men who drove those cabs London s taxi drivers are continually voted the best in the world each one of them having gone through the hardest test The Knowledge but very little is known about those who got us where we are today This book seeks to remedy that situation Now the history of the trade from the driver s perspective is told for the first time Hundreds of stories compiled from a variety of sources give a more intimate point of view than has ever been seen before Enjoy but most of all Be Lucky

The London Cabbie's Quiz Book Mr. Ian Beetlestone, 2020-07-28 Pay a visit to London and a black mini cab will probably be one the first things you will see The London taxi drivers are almost as famous as the black cabs in which they drive this is mainly due to their in depth knowledge of London and ability in taking their occupants to their desired destination amid the congestion and the chaos that you often find when travelling through London s streets London taxi drivers go through stringent training to obtain their licence they need to pass The Knowledge a test which is amongst the hardest to pass in the world and has been described as like having an atlas of London implanted into your brain The test requires you to master no fewer than 320 basic routes all of the 25 000 streets that are scattered within the basic routes and approximately 20 000 landmarks and places of public interest that are located within a six mile radius of Charing Cross This book breaks the test down into a series of head scratching questions and features enough trivia about the capital to surprise even born and bred Londoners It s the perfect gift for anyone who thinks they know London inside out or wants to learn more

London Taxi Driver Slang Graham Gates, 2011 A witty and original insight into London its landmarks and the language of its world renowned cab drivers

The London Cabbie Alf Townsend, 2011-10-21 Forty

years ago Alf Townsend passed The Knowledge after 14 000 miles on a moped round central London Since then he has covered millions of miles in his taxi This book includes a selection of his extraordinary and hilarious tales of everyday life as a cabbie in which we meet Mr Whippy and Violent Pete Bread Roll Mick and the Motorway Mouse Claude the Bastard and the mysterious Mr X Alf also examines the history of cab driving in the capital including the variety of taxis that have been used and even tries to shed some light on the most ancient and obscure Hackney Carriage laws that are still on the statute book Do you know why a taxi is so tall So a passenger can get on board wearing a top hat it s true Concluding with a look at the seamy side of night work the rise and rise of the mini cab and what the future may hold for the London cabbie Alf Townsend s book will be entertaining reading for all Londoners and anyone else who has travelled in the back of a black cab **Culture, Change and the Management of London's Taxi Drivers** Michael Galvin,2016 *Knowledge of London.
