Taste Of The Sea:

Rick Stein's Taste Of The Sea Rick Stein,2017-01-26 For most of us fish is something to be eaten in restaurants The occasional prawn might sneak into our stir fries or the odd sardine pop up on the barbecue but for the most part preparing and cooking fish at home on a regular basis is seen as difficult and time consuming Rick Stein would have us change all that In this cookery book he takes us to the briny world of his Cornish fishing village Padstow and gives us tips on the preparation of many fish types as well as showing how to make the most of each fish s unique character and flavour This collection of 150 stylish and delicious recipes demonstrates the huge versatility of food from the sea which is also of course quick to cook and healthy too From the classic delights of Skate in Black Butter and Herrings in Oatmeal to Rick s own inventions like Chargrilled Tuna with Olives Lemon and Sorrel Mackerel Escabeche and Spicy Deep fried Red Mullet these recipes bring fish cookery to the centre of the culinary stage where it truly belongs
