*The EQ ADVANTAGE In The Age of AI* Joseph Anand, 2026-02-15

Projects don't fail because plans are flawed. They fail because emotional pressure distorts judgment, communication, and trust. *The EQ Advantage: Mastering Project Leadership Through Emotional Intelligence* reveals the unseen forces shaping every project outcome and shows leaders how to work with them rather than against them. This book explores emotional intelligence not as a soft skill but as the operating system behind effective leadership. It explains how emotional regulation preserves clarity, how presence builds authority without force, and how awareness prevents small tensions from becoming costly breakdowns. Readers are guided through the project lifecycle from initiation to closure, showing where emotional challenges typically arise and how emotionally intelligent leaders respond. Grounded in psychology, neuroscience, and real project realities, *The EQ Advantage* offers practical insights, reflective tools, and leadership scenarios that translate directly into daily practice. It is written for project managers, senior leaders, and professionals who sense that working harder is no longer the solution and that a deeper form of leadership is required. Clear, human, and practical, this book helps leaders remain steady when pressure rises, think clearly when it matters most, and lead projects through people, not just processes. Because in the end, leadership is not tested when things go smoothly but when they don't.

**Book Title: "Divine Strategy: The Ganesha Way to Wisdom, Work, and Winning — Harnessing the Ancient Path to Solve Modern Problems"** DR MAMTA VYAS, Foundation and Concept

This book presents a unique synthesis of ancient spiritual wisdom and modern corporate strategy, drawing upon the life form and teachings of Lord Ganesha, particularly as narrated in the Shiva Purana and Ganesha Purana. Each chapter is designed to offer practical insights into areas such as leadership, strategic thinking, innovation, emotional intelligence, crisis management, and ethical decision-making, all through the metaphorical lens of Ganesha's symbolism. From Ganesha's large ears, active

listening to his one tusk focus and sacrifice every element of his divine form becomes a managerial tool a team building lesson or a leadership principle His role as the scribe of the Mahabharata teaches the value of intellectual clarity before action while his removal of obstacles Vighnaharta symbolizes change management and corporate resilience To bridge mythology with the modern boardroom the book integrates real world corporate case studies from Infosys Apple Tesla and Tata to startups like BYJU S and Zomato showing how successful leaders unconsciously apply Ganesha like traits in business transformations Where applicable chapters are supplemented with data interpretation organizational psychology and economic principles to provide analytical depth Divine Strategy is not a religious treatise it is a strategic guide for mindful leadership in today s volatile world inspired by one of India s most beloved deities Whether you are a manager entrepreneur educator or student this book helps you unlock the Ganesha within

**Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership** John C. Allen, 2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ s People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In learning this we can then learn how to improve emotional intelligence Emotional intelligence training helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control
