

A man in blue medical scrubs with a stethoscope around his neck is walking at night. He is carrying a brown medical bag. Next to him is a woman with long brown hair, wearing a black jacket and blue jeans. Above her head is a glowing white halo. They are walking on a sidewalk in front of houses with lit windows.

## **When Doctors Marry:**

When Doctors Marry Elizabeth Seifert,1969      *Doctors' Marriages* Michael F. Myers,2013-06-29 Responding to demographic changes among physicians and six years of new experiences since the first edition Dr Myers has revamped his well received work He includes new information on older physicians gay and lesbian physicians medical student abuse economic strain on interns depression malpractice ethical violations and other stressors which may cause marital difficulties Therapists seeking to council symptomatic physicians as well physicians themselves will find this a humane readable and useful book      Medical Marriages Glen O. Gabbard,1988 A variety of authors examine the inner workings of the physician s marriage the psychological issues and sources of conflict that emerge in the various stages of marriage and family The authors include notable experts who share their years of clinical experience in helping physicians and their families learn new ways to improve communication balance the demands of work and family and grow and change together constructively

**Women in Medicine** Marjorie A. Bowman, Erica Frank, Deborah I. Allen,2011-06-27 In this newly revised expanded and updated edition the authors have provided a definitive resource about and for women physicians From statistical data regarding practicing women physicians in the US and abroad minorities and gay lesbian physicians to practical advice on coping with stress *STRESS AND WOMEN PHYSICIAN* is an exceedingly useful and insightful volume for understanding and managing the issues faced by women physicians in both their professional and personal lives      *Cumulated Index Medicus* ,1999      Medical Mirror ,1890      **The Medical Age** ,1893      **Doctor's Kingdom** Elizabeth Seifert,1970      *Doctors' Wives* Cynthia S. Smith,1980      *Women and the Practice of Medicine* Lucille A. Lester,2021-06-30 This text offers a new interpretation of the dramatic changes that occurred in women in medicine over the course of the last seventy years starting from the 1950s when women physicians were a curiosity to the present day when their presence is accepted and their achievements are broadly acknowledged In seven chapters arranged by decades this book examines the seminal events that shaped what has been described as the changing face of medicine Using the lived experiences of women physicians featured as vignettes throughout the narrative the book traces the effects of the quota system for admissions second wave feminism and Title IX legislation the restrictions of the glass ceiling and a cascade of equity issues in career advancement and salary to offer a new account of the roles women played in shaping the standards and the contributing to progress in the field of medicine Women faced gender specific challenges to enter train and practice medicine that did not abate as they strove to balance work and family As the book shows such challenges and the attendant institutional responses offered by medical schools and government rulings shaped how women do medicine differently *Women and the Practice of Medicine* offers a unique interpretation of this history and accounts for the changes in social norms as well as in women s perspectives that have made them an invaluable new normal in the contemporary world of medicine This book fills a gap in the more recent history of women in medicine much of which is written by academic historians or sociologists this book contributes a clinician

s on the ground point of view It includes a researched structured historical narrative spanning the last 70 years but it seeks to frame this narrative with the personal stories and accomplishments of women physicians who lived through the time in question The book also provides an overview of how much has changed in the practice of medicine as well as a reminder of what has not changed and what needs to further evolve for women to be equitable partners in medicine as well as other professional disciplines The book concludes with two appendices containing a questionnaire used in interviews of 40 women conducted at the start of the book project and a summary of the qualitative findings from the semi structured interviews

Marriages and Families Mary Ann Schwartz,BarBara Marliene Scott,2003 Taking an historical cross cultural and global approach this book focuses on the link between social structure and the everyday lives of people s diverse experiences of marriages families and intimate relationships It shows how contemporary families go well beyond the traditional heterosexual two parent white middle class family and heterosexual legally sanctioned marria challenges the assumption that one culture s way of doing things is the natural or right way shows how marriage and family life have changed historically over time and from place to place and how political and economic globalization impacts families worldwide Features extensive boxed material accompanied by questions for personal reflection Marriages and Families Over Time Ways of Studying and Explaining Marriages and Families Understanding Gender Its Influence In Intimate Relationships The Many Faces of Love Dating Coupling and Mate Selection Sexuality and Intimate Relationships Nonmarital Lifestyles The Marriage Experience Reproduction and Parenting Evolving Work and Family Structures Violence and Abuse The Process of Uncoupling Divorce in the United States Remarriage and Remarried Families Families in Later Life Marriages and Families in the Twenty first Century U S and World Trends For anyone interested in marriage and family dynamics including individuals counselors nurses social workers home economists etc
