

When Love Was Spring

William Shakespeare

When Love Was Spring:

When Love Was Spring Jerome Miller, 2000-07-24 When Love Was Spring is set in a small Minnesota town from 1932 to 1942. The protagonist is a teen-age boy who falls in love with a young married woman, his employer and mentor. In time she reciprocates and they have an affair which is poignant and doomed, ending in scandal. Meanwhile a girl his age falls in love with him. The situation among the three principals precipitates the action. But it is the relationship between the naive youth and the sophisticated woman that is the crux of the story. The background of the novel, the Depression, the advent of World War II, and life in a small town is integral to the development of the plot and creates an underlying nostalgia. There is love, joy, and the possibility of happiness, but there is also frustration, disappointment, and the threat of malevolent interference. A cast of supporting players in the drama, the woman's husband, the teen's parents, others less important yet significant, make this a story of common people caught up in uncommon events. Every authentic love story is in its essence a journey toward God, and every time we truly love we unveil the face of God because God is love. 1 John 4:16. No wonder Thomas Kempis affirmed that nothing is sweeter than love, nothing stronger, nothing higher, nothing wider, nothing more pleasant, nothing fuller, nor better in heaven and earth because love is born of God and cannot rest but in God above all things. But if it is so, why in the world do we find ourselves very often dissatisfied with our love life, and why do we have so many dysfunctional relationships with our families, neighbors, and others? Why do we seem to love to hate each other and make enemies rather than friends, not only with individuals and groups but also with other nations as well? What is missing from our earthly love? What has happened to love? To these questions and to many more, Dr. Maalouf, whose focus is one of gentle revolution in human development, as leading critics said when describing his prolific works, is suggesting here a different way of seeing the reality of love. Although it is based on psychological, sociological, philosophical, and theological principles, this adopted way conveys the message through a poetic, contemplative, and mystical method in the style of Meister Eckhart and St. John of the Cross. This is not intended to be a comprehensive study on love, but a fresh awakening to the existential, deeper, and richer level of consciousness of the living love for the love of one another. John 13:34 is not just a commodity for social arrangement, but the evidence of our divine origin and destiny, and the critical condition for our very survival. Thus a book like this should be read meditatively, the way one listens to a great symphony or perceives a masterpiece in an art museum, and comprehensively, for it is not just the total sum of its paragraphs, as a symphony and a painting are not the total sum of their different notes and colors. Then wonder of wonders, one will realize

that there is nothing more mysterious more magical more life changing than love It is indeed the philosophers stone that converts whatever it touches into a golden reality Then everything will start to make sense for nothingnot even all the money in the worldcan buy the strength and the happiness of a true loving heart **The Musical Herald** ,1893 **Catalog of Copyright Entries** ,1945 **The plays of William Shakespeare, ed. by T.
