iPad Mediated Instructional Strategy (iPMIS) for Enhancing Reading Skills in Children with Autism - A Research Study

Dr. Anita Paul ,Dr. T. Geetha,2022-12-06

**Creating Reading Instruction for All Children** Thomas G. Gunning,1996

This book will not tell you how to teach reading Teaching reading is in large measure a matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no right answers to these questions The answers depend on your personal philosophy your interpretation of the research the level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school or school district s reading program

**Improving Reading** Jerry L. Johns,2005 Teaching Students with Learning Problems in the Inclusive Classroom Lisa

Freund,Rebecca Z. Rich,2005 For the K 12 special education methods course for future teachers of students with learning problems Knowing that no one approach to teaching is right for all children all of the time this comprehensive yet accessible case based text presents current best practices with the aim of helping prospective teachers learn to tailor instruction to the diverse needs and abilities of students with learning problems The authors explore the entire inclusion movement and the theories of teaching and learning that inform it discuss the nature of students with learning problems and the characteristics of effective teachers and describe a broad spectrum of proven instructional strategies for all curriculum areas Finally they examine the unique challenges and opportunities that transitions create for students with learning problems **Teaching**
