**Emotional Intelligence: The Emotional Intelligence Book - Emotional Intelligence at Work and Emotional Intelligence Leadership** John C. Allen, 2017-05-15 Emotional Intelligence The Emotional Intelligence Book Emotional Intelligence at Work and Emotional Intelligence Leadership This Emotional Intelligence Book will answer the question what is emotional intelligence also referred to as EI As the book works to define emotional intelligence through the four main branches it dives deeper into explaining each branch in hopes of bringing about a higher self awareness in the reader Most people walk around with low emotional intelligence out of ignorance They do not know because they have never been taught Some crowds believe that the emotionally intelligent are as smart as those with high IQ s People in positions of leadership show a higher aptitude of EI for being able to help others to calm the crowd and to work well under pressure without cracking Each of the four branches of the emotional intelligence theory is explained in full detail The first branch is emotional perception The second branch is emotional reasoning The third branch is emotional understanding and the fourth branch is emotional management Each branch has an explanation on how to do it how to perceive how to reason how to understand and how to manage the emotions In leaning this we can then learn how to improve emotional intelligence Emotional intelligence training

helps to make leaders out of people and helps people to learn more about themselves and they will learn how to handle their emotions A person with a high level of emotional intelligence has learned how to control their reaction to their emotions and they can also help others with their responses to emotions The emotional intelligence definition shows that we are whole people who have emotions and will go through emotional times but that we can control our reaction and responses to these emotions instead of allowing the emotions to show as raw and out of control

*The Emotionally Intelligent Office* The School of Life,2018-11-18 An in depth exploration of what really lies behind our problematic behavioural patterns in the workplace and a blueprint for the emotional skills we need to overcome them Modern businesses place huge emphasis on technical training And yet a lot of what determines the success or failure of organisations has nothing to do with the sort of hard skills taught at business school instead it comes down to the degree of emotional

intelligence circulating in the workplace This is a book that introduces us to twenty core emotional skills that can help businesses to flourish They range from giving honest feedback to accepting that it s OK to fail to addressing jealousies and insecurities within teams We learn about how our childhoods continue to have an often unhelpful impact on how we deal with colleagues and the best ways we might speak so that others will listen The book is informed by the practical work that the Learning and Development division of The School of Life carries out endeavouring to change the culture within organisations around the world through teaching teams the art of emotional intelligence It shows us not only how to be a more effective worker but a more well balanced human too
