Emotional Intelligence Workbook Jake Coleman,2020-06-18 Sure you too in file have been told by your parents and teachers that only by studying and doing well in school would you become someone What if I told you that it is not just a high IQ that allows you to be someone and achieve your goals A person with a high IQ good grades and high cognitive functions certainly has more opportunities for success in life but these characteristics are not the only things that

matter The success is the result of a combination of various factors and the most important thing is the EMOTIONAL INTELLIGENCE which is the ability to manage your emotions and those of the people around you to get the best of it One of the most important characteristics a person should have to experience intimate and satisfying relationships and to succeed in life is emotional intelligence Many people think that emotional intelligence E Q as it s commonly referred to is something innate They re wrong because while emotional intelligence can be innate or passively acquired it s also something that one can proactively or intentionally develop In this book you will read all there is to know about developing EQ as a beginner or someone new to the concept By the time you ve finished reading this book you ll be armed with everything needed to start your EQ development journey But before we begin let me give you a couple of practical tips to make the most out of this book

- 1 When you get to the sections on how to develop your EQ think about each strategy or technique i e are you already practicing it in your life If so to what extent are you already doing it Write down your thoughts as you read each technique before proceeding to the next one
- 2 Once you finish reading all the techniques review all your notes Identify those you believe you re not yet practicing and those that you already are but the degree of which is minimal or lacking
- 3 For those that you aren t practicing yet think of how you can start practicing them on a regular basis For those you already are but on a minimal level think of ways how you can practice them more regularly
- 4 Rank the techniques according to ease of implementation i e from easiest to the most difficult
- 5 Start practicing the easiest technique Once you ve gotten it down to pat move on to the next one and so on

So are you ready to start working on a higher EQ level What are you waiting for Turn the page so you can already start the journey
