Syriac Church And Fathers

Paul D. Wegner

Syriac Church And Fathers:

The Syriac Church and Fathers De Lacy O'Leary,1909 **The Syriac Church and Fathers** ,2002 *The Syriac Fathers on Prayer and the Spiritual Life* Sebastian P. Brock,1987 The aim of this selection of excerpts translated from Syriac writers mainly on the topic of prayer is to introduce this little known tradition of Eastern Christian spirituality to a wider audience For the reader who is unfamiliar with this tradition the General Introduction is intended to provide a brief orientation Some supplementary information on the individual authors will be found in the introductions to each chapter

Church History:) Attempts at regeneration in Germany Johann Heinrich Kurtz,1889 **THE MAR THOMA STORY** John Thomas,2020-12-02 The epic of the apostle St Thomas is reported in this treatise The traditional tale tells an unacceptable story without credibility and relevance to the reality of how Jesus and His apostles preached to whom when where and why hearers left their earlier faith to become the first believers in the faith which has since come to be known as Christianity in spite of all the resistance persecutions and tortures these believers had to endure suffer and die cruel deaths for Then there are the enduring unassailable facts a people on the west Malabar coast of Peninsular India the Syrian Christians claiming from the very beginning of their existence of having been Christianised only by the testimony and witness of the apostle to their ancestors and a tomb on the east Coromandel Coast of peninsular India at Mylapore forlorn and without any local devotees until the coming of the Portuguese that has always been known and claimed to be the only burial place of the apostle Then it has to be critically evaluated why among the apostles St Thomas alone travelled about 7000 km east and south of Palestine in a direction away from the travels and mission of all other apostles traversing desert and ocean to preach only to two similar communities at two seaports at Muziris and Mylapore on either side of peninsular India This is the enigmatic and perplexing matter thoroughly researched analysed evaluated and reported in this book and treatise The book finally arrives at the factors that led to the success of the apostle s mission at the seaport of Muziris **Biblica et Apocrypha, orientalia, ascetica** Elizabeth A. Livingstone,1993 Papers presented at the Eleventh International Conference on Patristic Studies held in Oxford 1991 see also *Studia Patristica* 24 26 27 and 28 The successive sets of *Studia Patristica* contain papers delivered at the International Conferences on Patristic Studies which meet for a week once every four years in Oxford they are held under the aegis of the Theology Faculty of the University Members of these conferences come from all over the world and most offer papers These range over the whole field both East and West from the second century to a section on the *Nachleben* of the Fathers The majority are short papers dealing with some small and manageable point they raise and sometimes resolve questions about the authenticity of documents dates of events and such like and some unveil new texts The smaller number of longer papers put such matters into context and indicate wider trends The whole reflects the state of Patristic scholarship and demonstrates the vigour and popularity of the subject Fathers of the World Burton L. Visotzky,1995 *MOTHERHOOD OF THE BLESSED VIRGIN MARY IN THE WRITINGS OF MAR EPHREM THE SYRIAN*

NOBBY XAVIER MANATT,2025-01-20 **The Methodist Review** ,1872 **Methodist Magazine and Quarterly Review** ,1872 **The Journey from Texts to Translations** Paul D. Wegner,2004-08 Traces the history of the Bible from the earliest manuscripts to contemporary translations Church History Johann Heinrich Kurtz,John Macpherson,1888 Studies in the History of the Gospel Text in Syriac Arthur Vööbus,1951 *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,1881 The Making of the New Testament Arthur G. Patzia,2025-08-28 The story of the making of the New Testament is one in which scrolls bumped across cobbled Roman roads and pitched through rolling Mediterranean seas finally finding their destinations in stuffy dimly lit Christian house churches in Corinth or Colossae There they were read aloud and reread handled and copied forwarded and collected studied and treasured And eventually they were brought together to make up our New Testament This revised and expanded edition of The Making of the New Testament is a textbook introduction to the origin collection copying and canonizing of the New Testament documents Like shrewd detectives reading subtle whispers of evidence biblical scholars have studied the trail of clues and pieced together the story of these books Arthur Patzia tells the story answering our many questions How were books and documents produced in the first century What motivated the early Christians to commit teaching and narrative and vision to papyrus How were the stories and sayings of Jesus circulated handed down and shaped into Gospels What do we know about ancient letter writing secretaries and copy shops Why were four Gospels included instead of just one How were Paul s letters sent here and there gathered into a single collection Who decided and by what criteria which documents would be included in the New Testament Explore these questions and more about these Scriptures whose everyday gritty story rings true to their extraordinary message the palpable mystery of the Word made flesh **Syriac and Antiochian Exegesis and Biblical Theology for the 3rd Millennium** Robert D. Miller,2008 The observation that scholarly work on the Bible is of little use to theologians is the starting premise for this volume As a possible solution to this impasse the contributors explore the potential insights provided by a distinct tradition of biblical interpretation that has its roots in both the patristic School of Antioch and in the Syriac Fathers such as Ephrem and Jacob of Serug and which has survived and developed in the Churches of the Antiochene Patrimony such as the Maronite and Syriac *Cyclopædia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,James Strong,1889 *The Encyclopædia Britannica* Thomas Spencer Baynes,1891 *The Encyclopaedia Britannica* ,1894 **The Qur'an and the Aramaic Gospel Traditions** Emran El-Badawi,2013-12-17 This book is a study of related passages found in the Arabic Qur n and the Aramaic Gospels i e the Gospels preserved in the Syriac and Christian Palestinian Aramaic dialects It builds upon the work of traditional Muslim scholars including al Biq d ca 808 1460 and al Suy d 911 1505 who wrote books examining connections between the Qur n on the one hand and Biblical passages and Aramaic terminology on the other as well as modern western scholars including Sidney Griffith who argue that pre Islamic Arabs accessed the Bible in Aramaic The Qur n and the Aramaic Gospel Traditions examines the history of

religious movements in the Middle East from 180 632 CE explaining Islam as a response to the disunity of the Aramaic speaking churches It then compares the Arabic text of the Qur n and the Aramaic text of the Gospels under four main themes the prophets the clergy the divine and the apocalypse Among the findings of this book are that the articulator as well as audience of the Qur n were monotheistic in origin probably bilingual culturally sophisticated and accustomed to the theological debates that raged between the Aramaic speaking churches Arguing that the Qur n s teachings and ethics echo Jewish Christian conservatism this book will be of interest to students and scholars of Religion History and Literature
