**The Poems of Browning: Volume Four** John Woolford, Daniel Karlin, Joseph Phelan, 2014-05-12 The Poems of Robert Browning is a multi volume edition of the poetry of Robert Browning 1812 1889 resulting from a completely fresh appraisal of the canon text and context of his work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the origins and development of Browning's art Annotations and headnotes in keeping with the traditions of Longman Annotated English Poets are full and informative and provide details of composition publication sources and contemporary reception Volumes one 1826 1840 and two 1841 1846 presented the poems from his Browning's early years while volume three 1847 61 covered the period of his marriage to Elizabeth Barrett and residence in Italy Volume four 1862 71 deals with the decade following Elizabeth's death and Browning's return to England These years saw the appearance of some of his most significant work and a steady rise in his critical reputation In *Dramatis Personae* 1864 Browning uses his characteristic dramatic mode to expose predicaments of thought and feeling in characters ranging from Shakespeare's Caliban to the cheating medium Mr Sludge other poems dramatize Browning's complicated feelings about the deceptions and self deceptions of romantic love Balaustion's Adventure 1871 is an engaging reworking of Euripides Alcestis whose theme the resurrection of a beloved lost wife has poignant personal resonance for Browning while Prince Hohenstiel Schwangau published in the same year offers a thinly veiled account of the life and actions of Napoleon III the recently deposed Emperor of France over whom Browning and Elizabeth had quarrelled In these two long poems Browning can be seen engaged in the dialogue with Elizabeth that was to shape much of his work during the remainder of his writing life

**Robert Browning: Selected Poems** John Woolford, Daniel Karlin, Joseph Phelan, 2013-11-19 Robert Browning 1812 1889 was one of the defining figures of the Victorian age Famous in his lifetime for his elopement and marriage to Elizabeth Barratt his critical reputation grew steadily in the years following her early death Browning's mastery of dramatic verse was evident throughout his career from such chillingly unforgettable monologues as My Last Duchess and Porphyria to the mature work included in his collection *Dramatis Personae* This selection chosen by leading scholars reveals the innovation complexity and profound psychological insight that have ensured Browning's enduring reputation and his continuing appeal to readers today Browning Selected Poems results from a completely fresh appraisal of the canon text and context of the writer's work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the development of Browning's art An introduction and chronology offer useful background material whilst annotations and headnotes provide details of composition publication sources and contemporary reception This authoritative yet accessible selection should become the first point of reference for
