Survival Guns:

Survival Weapons: Optimizing Your Arsenal phil west,2013-06-16 Every intelligent person realizes that weapons are necessary to sustain and protect themselves and those they love We cannot all be like the characters of fiction with a room full of varied and often exotic weaponry For most of us there is always something else money must be spent on What do we really need and what is the best way to use it Chapters on Hunting rifles Shotguns Defensive Handguns and Rifles Rimfires Sighting systems lighter and quieter rifle slings and Survival Knives choosing using and keeping them sharp

Survival Guns: A Beginner's Guide Steve Markwith,2014-08-18 Survival Guns A Beginner s Guide is the first firearms book in the Survival Guns series that covers building a basic firearm battery Steve Markwith will take the reader through the process of selecting and buying firearms and accessories via a planned process that meets your needs and budget Steve outlines some underlying principles to work toward the goal of building a coordinated battery beginning with just a short list of essential systems that constitute a baseline inventory The book s premise is built on starting with a clean slate While some readers may already own guns and pursue the tendency to weave what they already own into the mix those end results may be less than ideal Steve takes the reader through a logical approach to building a planned but practical collection that will suit a variety of needs While this book and Steve s similar manuals is written for beginning to intermediate users those familiar with firearms will also find the content of value The information contained within is detailed covering far more than just a firearm itself leaving the reader confident in his her plan to acquire guns and accessories in a reasoned logical way

Shotguns: A Comprehensive Guide Steve Markwith, Shotguns A Comprehensive Guide is Steve Markwith s second firearms book in the Survival Guns series This book covers the details of buying owning and shooting a shotgun Steve takes the reader from understanding the many differences between various models old and new to detailing chokes barrels and shot patterns He covers essential topics such as cleaning safety and training The information contained within is detailed covering far more than just the firearm itself leaving the reader confident in his her plan to learn the about the gun in a reasoned logical way Steve s decades of experience and no nonsense writing style makes this book a joy to read
