Swj Productions

Surviving The Workplace Jungle:

Surviving the Workplace Jungle Swj Productions,1995 Surviving the Workplace Jungle is the most comprehensive workplace violence prevention program available in North America This program consists of a 28 minute video depicting scenarios typically encountered in public workplaces a 300 page workbook and a detailed facilitator s guide **The Monkeys at the Top of the Tree** Cynthia Burkhart,2004-11 Anyone who has ever been in the workplace knows it s a jungle out there one filled with powerfl predators secret rules and hidden perils And the age old law of the jungle keeps the big monkeys securely on top leaving the other monkeys to fend for themselves on the tangled and treacherous jungle floor

Surviving Office Politics Patrick Forsyth,2011 Lying cheating manipulating conniving backstabbing and schmoozing And don t forget falsifying scheming and even sleeping with someone All of these go on in the workplace And we all know someone who is engaged in using devious tactics to further their own career If you think you can just work hard without paying attention to politics then think again Politics happens whether you want to admit it or not But politicking need not always be bad You may think that politics is something that only manipulative self serving types engage in But politicking merely describes the act of scrutinising relationships and learning how to influence others more effectively It is merely a tool Some people will choose to influence others to further their own devious ends while others will influence for the good of themselves and the organisation So here is the definitive answer to engaging with office politics to further your own career in a positive fashion and deal with the Machiavellian types and pre empt their efforts **God and the Bottom Line** Don

Boyd,Doug Lee,2011 There are thousands of Christians in the workplace who are either unaware or just ignoring the assistance of the Holy Spirit provides Consequently many forfeit the tremendous advantage they could have as Christians They unwittingly choose second best when they could have the very best The Office Jungle Judi James,1997 The Office Jungle is a practical look at the pressures and pitfalls of today s working environment This book contains a wealth of information and vital tips aimed at easing the path to success **With Families in Mind** Willam John Hatten ,2017-09-13 With Families in Mind is a two part in depth explanation to the Introduction content of The Verses Absolute Relative in Book 1 It was intended to be its Epilogue As it grew too long the author has made it a supplementary separate book Along with conveying expanding the social concern the Author has for the increasingly eroding decaying family structure in the 21st century In the Author s spiritual acquired understanding of life a mankind created growing disaster for mankind s spiritual evolution A concern that prompted the Introduction content in Book 1 and the content of this supplementary book to expand clarify that concern Violence in the Workplace Canadian Centre for Occupational Health and Safety,1999 Shadows of Success: Ninja Techniques for Corporate Survival Gaurav Garg, Ah the corporate world A place where dreams go to die and Excel spreadsheets go to multiply Or is it What if I told you that beneath the surface of mind numbing meetings and soul crushing cubicles lies a secret world of corporate ninjas silently shaping the fate of companies and careers alike Welcome

dear reader to *The Art of the Corporate Ninja Succeeding in Business Without Losing Your Soul or Your Mind* If you've picked up this book chances are you're either A bright eyed newcomer to the corporate jungle eager to learn its ways bless your heart A battle hardened veteran wondering if there's more to life than TPS reports Someone who accidentally grabbed this instead of *Zen and the Art of Motorcycle Maintenance* honest mistake they're practically the same thing Regardless of which category you fall into strap in You're about to embark on a journey that will transform you from a mere corporate drone into a lean mean PowerPoint presenting machine In the world of business the people who are most successful are those who are doing what they love Warren Buffett Okay that's a nice quote and all but let's be real Not all of us can be Warren Buffett sipping on Cherry Coke while making billion dollar decisions Some of us are just trying to make it through the day without stapling our tie to important documents or falling asleep in a meeting about meetings That's where the art of the corporate ninja comes in This book will teach you how to Navigate office politics with the stealth of a shadow Deliver presentations that don't put people to sleep a true superpower Master the art of looking busy while doing absolutely nothing Climb the corporate ladder without stepping on too many fingers And most importantly maintain your sanity and sense of humor in a world gone mad But wait there's more Unlike other business books that take themselves way too seriously this one comes with a healthy dose of sarcasm pop culture references and the occasional dad joke Because let's face it if you can't laugh at the absurdity of corporate life you're in for a long dreary career So whether you're aiming for the corner office or just trying to survive until Friday this book has something for you It's part survival guide part comedy routine and part Zen koan yes really By the time you're done you'll be slicing through red tape with the precision of a samurai sword and deflecting pointless emails faster than Neo dodging bullets in *The Matrix* A word of warning reading this book may cause uncontrollable eye rolling sudden outbursts of laughter and a strong desire to karate chop your keyboard Side effects may include increased productivity better work life balance and the ability to see through corporate BS from a mile away Ready to unleash your inner corporate ninja Turn the page young grasshopper Your journey to business badassery begins now Oh and if your boss catches you reading this at work just tell them it's a very serious book about synergizing paradigms and leveraging core competencies They'll either be impressed or so confused they'll leave you alone Win win Now let's begin our training Hajime
