## **Survivors Children Of The Halifax Explosion:**

*Survivors* Janet F. Kitz, 2000 Over five hundred children from Halifax and Dartmouth were killed when the munitions ship Mont Blanc blew up in the city's harbour on December 6 1917 Hundreds more were injured and many lost their families and homes *Survivors* tells the story of seven children who survived the Halifax Explosion All seven lived in Richmond the northern part of Halifax close to the spot where Imo collided with Mont Blanc causing the fire that ignited the tons of explosives in its hold The book describes the children's family school and social life before the explosion their activities on that day their experiences of the explosion itself and the difference it has made to their lives

**Teaching with Dear Canada Vol. 4** Amy Jeanette Von Heyking, 2008-08 This fourth teaching guide for the Dear Canada historical fiction series focuses on *The Death of My Country Turned Away No Safe Harbour* and *A Rebel's Daughter* As students learn about Canada's past through the diaries the guide extends the learning and builds important social studies and language arts skills It includes an overview of teaching social studies through historical fiction and provides a summary for each book themes for classroom discussion crosscurricular activities ready to use reproducibles and more *Teaching with Dear Canada Vol 4* is the perfect tool for teachers

**Nurses on the Front Line** Barbra Mann Wall, Arlene W. Keeling, PhD, 2011 *Nurses on the Front Line* examines how nurses have responded to both natural and man-made disasters in the United States Canada and other nations over the course of the previous and current centuries It documents 12 disasters including the Galveston hurricane of 1900 the 1942 Cocoanut Grove nightclub fire September 11th and Hurricane Katrina More than a simple narrative this text provides intimate first-hand experiences through letters memoirs oral histories and newspaper articles of health care workers survivors and civic and private organizations that reflect on the character and speed of responders during a disaster It illustrates how nurses can restore stability in the aftermath of a chaotic event and analyzes the nurses' role as part of a community response Key features Explains in detail what nurses can expect during disasters and what measures to take when disaster strikes Examines previous natural disasters and calls into question whether disasters were caused by accidents or intentional/unintentional human error Discusses policy implications of the different disasters focusing on the federal government's response Investigates the roles and effects of race class and gender during a disaster

**Methods of Disaster Research** Robert A. Stallings, 2003-01-14 The methods of disaster research are indistinguishable from those used throughout the social sciences Yet these methods must be applied under unique circumstances Researchers new to this field need to understand how the disaster context affects the application of the methods of research This volume written by some of the world's leading specialists in disaster research provides for the first time a primer on disaster research methods Among the topics covered are qualitative field studies and survey research underutilized approaches such as cross-national studies simulations and historical methods and newer tools utilizing geographic information systems the Internet and economic modeling

**Ring Around the Maple** Cynthia R. Comacchio, Neil Sutherland, 2024-10-29 *Ring Around the Maple* is about

the condition of children in Canada from roughly 1850 to 2000 a time during which the modern increasingly disrupted traditional ways Authors Cynthia R Comacchio and Neil Sutherland trace the lives of children over this long century with a view to synthesizing the rich interdisciplinary often multi disciplinary literature that has emerged since the 1970s Integrated into this synthesis is the authors new research into many often seemingly disparate archival and published primary sources Emphasizing how the child and childhood are sociohistoric constructs and employing age analytically and relationally they discuss the constants and the variants in their historic dimensions While childhood tangibly modernized during these years it remained a far from universal experience due to identifiers of race gender culture region and intergenerational adaptations that characterize the process of growing up This work highlights children s perspectives through close critical against the grain readings of diaries correspondence memoirs interviews oral histories and autobiographies many buried in obscure archives It is the only extant historical discussion of Canadian children that interweaves the experiences of First Nations M tis and Inuit children with those of children from a number of settler groups Ring Around the Maple makes use of photographs catalogues advertisements government publications musical recordings radio shows television shows material goods documentary and feature films and other such visual and aural testimony Much of this evidence has not to date been used as historical testimony to uncover the lives of ordinary children This book is generously illustrated with photographs and ephemera carefully selected to reflect children s lives conditions interests and obligations It will be of special interest to historians and social scientists interested in children and the culture of childhood but will also appeal to readers who enjoy the little stories that together make up our collective history especially when those are told by the children who lived them

*Shattered City* Janet Kitz,2010-09-01 This chronicle of the 1917 Halifax Explosion presents a vivid account of the historic tragedy and the relief and rebuilding efforts that followed On December 6th 1917 the French cargo ship SS Mont Blanc collided with the Norwegian vessel SS Imo in the Narrows that lead into Halifax Harbor The Mont Blanc was carrying a shipment of explosives from New York ultimately bound for Bordeaux France A fire onboard ignited the cargo causing a blast that obliterated everything within a half mile radius The Richmond district of Halifax was destroyed A tsunami created by the blast washed the Imo ashore and wiped out a Mi kmaq community *Shattered City* is the most comprehensive book on the Halifax Explosion detailing the event the aftermath and the restoration It encompasses dozens of previously unpublished stories photographs and documents along with some thought provoking coverage of the inquiry into the disaster
