The Animal Motif in the Sut Lovinggood Yarns Robert Bryan Gentry,1966 Sut Lovinggood George Washington Harris,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

George Washington Harris's Sut Lovinggood's Yarns and the Politics of Motion Christopher John McGinley,1991 Sut Lovinggood George Washington Harris,1867 Sut Lovinggood ,1997 Sut Lovinggood's Nat'ral Born Yarnspinner James Edward Caron,M. Thomas Inge,1996

Throughout the 1850s Harris created a variety of adventures for Sut that were extremely popular and often reprinted Many of these Sut stories were included in his only book collection Sut Lovinggood Yarns Spun by a Nat ral Born Durn d Fool which was first published in 1867 and remained continuously in print until 1925

George Washington Harris, 1814-1869: Sut Lovinggood: Yarns Spun , The Academic Affairs Library of the University of North Carolina at Chapel Hill presents the full text of the novel Sut Lovinggood Yarns Spun which was written by American writer George Washington Harris 1814 1869 and originally published circa 1867 The online text is from the Library of Southern Literature a part of the Documenting the American South DAS collection of the Academic Affairs Library

The Humor of the Old South M. Thomas Inge,Edward J. Piacentino,2014-10-17 The humor of the Old South tales almanac entries turf reports historical sketches gentlemen s essays on outdoor sports profiles of local characters flourished between 1830 and 1860 The genre s popularity and influence can be traced in the works of major southern writers such as William Faulkner Erskine Caldwell Eudora Welty Flannery O Connor and Harry Crews as well as in contemporary popular culture focusing on the rural South This collection of essays includes some of the past twenty five years best writing on the subject as well as ten new works bringing fresh insights and original approaches to the subject A number of the essays focus on well known humorists such as Augustus Baldwin Longstreet Johnson Jones Hooper William Tappan Thompson and George Washington Harris all of whom have long been recognized as key figures in Southwestern humor Other chapters examine the origins of this early humor in particular selected poems of William Henry Timrod and Washington Irving s The Legend of Sleepy Hollow which anticipate the subject matter character types structural elements and motifs that would become part of the Southwestern tradition Renditions of

Sleepy Hollow were later echoed in sketches by William Tappan Thompson Joseph Beckman Cobb Orlando Benedict Mayer Francis James Robinson and William Gilmore Simms Several essays also explore antebellum southern humor in the context of race and gender This literary legacy left an indelible mark on the works of later writers such as Mark Twain and William Faulkner whose works in a comic vein reflect affinities and connections to the rich lode of materials initially popularized by the Southwestern humorists

Sexual Identity and Social Integation in George Washington Harris's Sut Lovingood's Yarns Scott Carter Johnson,1992 **Jolly Fellows** Richard Stott,2009-09-21 Jolly fellows a term that gained currency in the nineteenth century referred to those men whose more colorful antics included brawling heavy drinking gambling and playing pranks Reforms especially the temperance movement stigmatized such behavior but pockets of jolly fellowship continued to flourish throughout the country Richard Stott scrutinizes and analyzes this behavior to appreciate its origins and meaning Stott finds that male behavior could be strikingly similar in diverse locales from taverns and boardinghouses to college campuses and sporting events He explores the permissive attitudes that thrived in such male domains as the streets of New York City California during the gold rush and the Pennsylvania oil fields arguing that such places had an important influence on American society and culture Stott recounts how the cattle and mining towns of the American West emerged as centers of resistance to Victorian propriety It was here that unrestrained male behavior lasted the longest before being replaced with a new convention that equated manliness with sobriety and self control Even as the number of jolly fellows dwindled jolly themes flowed into American popular culture through minstrelsy dime novels and comic strips Jolly Fellows proposes a new interpretation of nineteenth century American culture and society and will inform future work on masculinity during this period

Southern Frontier Humor Thomas Inge,Ed Piacentino,2010-05-12 If as some suggest American literature began with Huckleberry Finn then the humorists of the Old South surely helped us to shape that literature Twain himself learned to write by reading the humorists work and later writers were influenced by it This book marks the first new collection of humor from that region published in fifteen years and the first fresh selection of sketches and tales to appear in over forty years Thomas Inge and Ed Piacentino bring their knowledge of and fondness for this genre to a collection that reflects the considerable body of scholarship that has been published on its major figures and the place of the movement in American literary history They breathe new life into the subject gathering a new selection of texts and adding Twain the only major American author to contribute to and emerge from the movement as well as several recently identified humorists All of the major writers are represented from Augustus Baldwin Longstreet to Thomas Bangs Thorpe as well as a great many lesser known figures like Hamilton C Jones Joseph M Field and John S Robb The anthology also includes several writers only recently discovered to be a part of the tradition such as Joseph Gault Christopher Mason Haile James Edward Henry and Marcus Lafayette Byrn and features authors previously overlooked such as William Gilmore Simms Ham Jones Orlando Benedict Mayer and Adam Summer Selections are timely reflecting recent trends in literary

history and criticism sensitive to issues of gender race and ethnicity The editors have also taken pains to seek out first printings to avoid the kinds of textual corruptions that often occur in later versions of these sketches Southern Frontier Humor offers students and general readers alike a broad perspective and new appreciation of this singular form of writing from the Old South and provides some chuckles along the way

Delve into the emotional tapestry woven by in Experience **Sut Lovingoods Yarns** .
