Deux Gymnopedies, Orchestral setting Erik Satie,2004-09 This is a newly engraved critical edition of Claude Debussy's superb orchestration of two of the Gymnopedies by his friend Erik Satie Debussy used the two outer movements of the original three pieces in reverse order so that Satie's No 3 became No 1 while No 1 became No 2 Satie was virtually unknown as a composer at the time of the 1897 Paris premiere of the orchestral setting which did much to advance his reputation in the early years of the twentieth century The piano originals are now even more renowned than Debussy's orchestration which remains a fixture in the orchestral repertoire The 2004 edition is now made available in a convenient and affordable study score which is sure to be appreciated by musicians students and fans of both composers everywhere **Swan Lake, op. 20 - suite** Peter Ilich Tchaikovsky, **Schwann Opus Vol. 10** Becky Barnhart,1999-12 *The National Union Catalog* ,1968 **Swan Lake: Suite for Orchestra, Op. 20** P.I. Tchaikovsky, *Pavane Pour Une Infante Defunte* Maurice Ravel,2004-10 Ravel composed the original piano version of this piece in 1899 after resuming his studies at the Paris Conservatory It was published the next year and became an overnight success Despite some self criticism of his youthful work for being poor in form Ravel thought well enough of it to prepare an orchestral version in late 1910 which was given its premiere under the baton of Henry Wood at the Manchester Gentlemen's Concerts on 27 February 1911 This newly engraved critical edition will be appreciated by Ravel fans students and conductors everywhere With the demise of the publisher E F Kalmus the only authorized source for this edition is Serenissima Music where the large score and orchestra parts are now available Swan Lake Suite, Op. 20a Peter Ilich Tchaikovsky,Carl Simpson,2006-03 Newly edited and engraved The composer considered an orchestral suite from his great ballet but never got around to extracting it An unknown editor compiled the first version which was issued by Jurgenson in 1900 The Soviet state publishers produced their own version in 1954 adding 3 dance movements and omitting the finale from the original suite This new score includes all the movements found in the two different versions of the suite **The Seven Last Words of Christ** Theodore Dubois,2008-07-24 Dubois oratorio was given its premiere on Good Friday April 19 1867 at glise de la Madeleine in Paris under the composer's direction Although first published in 1886 by Georges Hartmann of Paris the vocal score presented here is a digitally enhanced reprint of the one first produced in 1899 by G Schirmer of New York with an English translation beneath the original Latin text by Theodore Baker 1851 1934 This score has been carefully reviewed with measure numbers and rehearsal letters added It is now completely compatible with the widely available full score and orchestral parts issued by Edwin F Kalmus The large A4 size makes it particularly easy to read for choruses both at both professional and community levels IMSLP page All Music Guide Swan Lake.
