confident capable kids ready to thrive in an unpredictable world Transform your parenting approach and empower your child's path to resilience today *The Parenting Revolution* Justin Coulson, 2023-05-01 Advice about how to be a great parent from the co host of Parental Guidance What does it mean to be a good parent Are you a good parent when your child is compliant but a bad parent when they're not What if they're perfect at age three and challenging at thirteen And what if your child has additional needs This is a book about parenting styles and what it takes to be a great parent We know about tiger parents helicopter parents free range parents but have you heard of Tesla parents leaf blower parents or iPhone 6 parents So many styles but is there one that actually works Justin Coulson believes so Drawing on up to the minute research in parenting science as well as studies of childhood development he shows how our children thrive when we understand and meet their basic psychological needs how our job is not to fix our kids but to create an environment that supports their growth and development and how children flourish when we minimise control but maximise our warmth and involvement and establish healthy boundaries Not all children are the same and Justin considers a range of circumstances that you or your child might be in including children with non typical development His revolutionary approach and practical strategies will encourage you to change the way you parent forever *Raising Resilient Kids* LYDIA. HARPER, 2026-01-04 Parenting doesn't come with a manual but it does shape a lifetime Most parents aren't failing They're exhausted overloaded with advice that contradicts itself and quietly wondering why the tools they were given don't seem to work when emotions run high They're trying to raise kind resilient children while navigating their own stress past experiences and daily responsibilities with very little guidance that actually feels usable *Good Inside* was written for those parents This book offers a thoughtful practical approach to parenting that focuses on understanding children rather than controlling them It draws from well established parenting research real world experience and thousands of everyday situations parents face helping caregivers respond with clarity confidence and calm even during difficult moments At the heart of this book is a simple grounding belief children are not bad when they struggle and parents are not inadequate when things feel hard Big emotions defiance shutdowns and meltdowns are not failures They are signs that children are still developing the skills they need to cope with the world *Good Inside* helps parents recognize what's happening beneath the surface and respond in ways that teach emotional regulation build trust and strengthen long term connection Rather than offering rigid rules or trendy discipline systems this book walks parents through realistic scenarios tantrums sibling conflict bedtime resistance separation anxiety and everyday power struggles and shows how to handle them with steadiness and intention The guidance is clear relatable and designed for real life not perfect moments Just as importantly *Good Inside* speaks directly to the parent It acknowledges the pressure guilt and self doubt that so many caregivers carry and offers a way forward that doesn't rely on fear punishment or permissiveness Parents learn how to set boundaries without losing connection stay regulated when their child is not and lead with confidence rather than reactivity This is not a book about being a perfect parent It is a book about becoming a steadier one

Good Inside is for parents who want to raise emotionally capable children while also breaking unhelpful patterns from their own upbringing. It offers reassurance when you feel unsure, language for hard moments, and a framework that supports both the child and the adult in the relationship. If you're looking for parenting guidance that is compassionate, realistic, and grounded in how families actually live, Good Inside provides a clear and humane path forward, one built on understanding, consistency, and trust.

Raising Resilient Children Robert Brooks, Sam Goldstein, 2002-09-18 Discusses the importance of fostering the qualities of resilience in children and offers specific ideas and strategies designed to help parents raise strong, hopeful, optimistic children.

Raising Resilient Children Sam Goldstein, Robert B. Brooks, 2002 Share this strategy-filled nine-session curriculum and 70-minute companion video with parents to help them ensure that their children are emotionally prepared to cope with life's challenges. Based on the authors' best-selling book, the chapters in the manual and their corresponding video segments discuss the seven key guideposts to raising resilient children. In-class and at-home activities are also included to help parents recognize the important role they play in their children's emotional health. After completing the Raising Resilient Children curriculum, parents will be better prepared to accomplish their most important job: raising a confident, self-reliant child.

Raising Resilient Children with Autism Spectrum Disorders: Strategies for Maximizing Their Strengths, Coping with Adversity, and Developing a Social Mindset Dr. Robert Brooks, Sam Goldstein, 2011-12-19 New hope for parents raising a child with autism spectrum disorders. In *Raising Resilient Children with Autism Spectrum Disorders*, noted psychologists and bestselling authors Dr. Goldstein and Dr. Brooks teach you the strategies and mindset necessary to help your child develop strength, hope, and optimism. This is the first approach for autism spectrum disorders based in the extremely popular field of positive psychology. Drs. Brooks and Goldstein, world-renowned experts on child psychology and specifically resilience, offer you practical tips for long-term solutions rather than just quick fixes. Featuring dozens of stories and an easy-to-follow prescriptive narrative, Drs. Brooks and Goldstein demonstrate how to apply resilience to every parenting practice when raising a child with autism spectrum disorders, preparing him or her for the challenges of today's complicated, ever-changing world and helping your child develop essential social skills. Learn how to empower your child to problem-solve on his or her own. Teach your child to learn from mistakes rather than feel defeated by them. Discipline your child while instilling self-worth. Build an alliance with your child's school.
