## **The Tour:**

The Tour De France, 1903-2003 Hugh Dauncey, Geoff Hare, 2004-08-02 This book analyses the Tour de France over its long history both as France's most prestigious and famous sporting event and as a European and increasingly a world cycling competition. This study provides interdisciplinary and varied perspectives on the sporting, cultural, social, economic and political significance of the Tour within and outside France, giving a comprehensive and authoritative investigation of up to the minute thinking on what the Tour means now and in the past to competitors, to France, to the French public, to the cultural history of sport and the sport of cycling itself.

**The Official History of The Tour De France** Andy McGrath, Luke Edwardes-Evans, Serge Laget, 2021-10-19 The Official History of the Tour de France is a celebration of one of the greatest annual sporting events and the premier competition in world cycling. Through more than 300 photographs, rarely seen documents and items of memorabilia, this book covers more than a century of fascinating stories on the Tour and its iconic yellow jersey. This revised and updated edition includes an authoritative narrative account of each major era up to and including the thrilling 2020 Tour, a dramatic contest completed against all the odds, and a preview of the 2021 event. There are features on superstar cyclists and memorable moments from each period of the event's rich history and a foreword from legendary Tour de France champion Stephen Roche, all of which combine to form the definitive illustrated book on the Tour.

**The Yellow Jersey Companion to the Tour de France** Les Woodland, 2007 The Yellow Jersey Companion to the Tour de France might just tell you everything you've ever wanted to know about the world's greatest sporting event. We won't just give you the name of every stage winner, every mountain and the first to top them, the age of each overall winner, a complete list of all the stage finishes since the race began, we'll tell you all the unknown stories too. We'll tell you about the rider forced to crawl along the finish line in search of his glass eye, the exhausted man who hitched a ride on the back of a donkey, the Tour star who denied his yellow jersey hours after he'd won it, and the journeyman competitor who never got to wear his because someone drove away with it. On our alphabetical ride through the Tour's one hundred year history, we'll share with you the inside stories of the great stars: Jacques Anquetil, Fausto Coppi, Bernard Hinault, Miguel Indurain, Eddy Merckx, Greg LeMond, and Lance Armstrong, to name a few. We'll outline the arcane and so often cruel rules that have helped make this race into the sporting world's most gruelling spectacle, and we'll even reveal the answer to a question that has troubled many Tour junkies over the years: who really was the first maillot jaune? A work of unparalleled reference and a joy to read, *The Yellow Jersey Companion to the Tour de France* is a literary gift from cycling heaven.
