

THE VOICE OF
HOPE

Voice Of Good Hope

Robert Louis Stevenson

Voice Of Good Hope:

Voices and Silences Anjali Singh,2022-10-06 Indian indentured emigration is among the most notable social phenomena of modern history which sent over one million men and women to tropical sugar colonies in the Atlantic Pacific and Indian oceans Indenture began in the 1830s and lasted till 1920 a period which finds little or no mention either in history textbooks or in literature This book takes a closer look at some of the important narratives on indenture and evaluates them in order to highlight the experience of the indentured people across the plantation colonies in Fiji and in the Caribbean The story of indenture is the story of betrayal of trauma and of resistance It is also a narrative of resilience assimilation and acculturation This book offers an in depth literary study to reveal that there exists a language of indenture one that permeates all the texts written on the subject The texts speak to and for each other thereby revealing the indenture experience to the reader
