The Tribulation Cycle:

Energy Research Abstracts, 1991 The Scroll, *The Tribulation Cycle* William A. Blackmon, 2000-10 The Tribulation Cycle is a contemporary story of the classic age old battle between good and evil In the final days according to the Book of Revelations Satan will search the world for the bringer of destruction the anti Christ to set humanity against itself and force it to chose between his lies and deception or the difficult path of righteousness Paul Reardon the fiery young Evangelist of the Christian Soldier Crusade television network will soon undergo this very trial The fate of his soul as well as that of a generation will hang suspended by a thread as the dark forces compel him toward acceptance of the Satan s offer Only one man in the world the imprisoned Geoff Davis knows Reardon s peril He must escape his prison and find Reardon before he can be seduced and then destroy the dark angel before mankind enters another tribulation cycle **A Wheel Within a**

Hebrew Astrology Sepharial, 1929 Dayananda's Outline of Vedic Philosophy Satya Prakash, 1975 *Speeches, Writings, and Addresses: Dayananda, a philosopher* Satya Prakash, 1987 The Flaming Sword, 1899 The Wheel and Cycling Trade Review, 1891 **A Revelation of Jesus Christ** Jacob Brubaker Smith, 1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest

student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction **The Pretribulation Rapture** Allen Beechick,1980
