Third Assassin:

The Third Assassin Howard Davis,1994-12-01 **The Emperor's Ride** Tom Anderson,2013-02 This is the story of a man who saves the life of a Galactic Emperor only to have the Galactic Media put him on a pedestal he knows he does not deserve This is only an annoyance compared to the trouble he gets into when the Emperor s two beautiful daughters begin to take a sexual interest in him The Emperor is grateful to the man for saving his life but not grateful enough to let him fool around with his daughters **DNS Danny Earl,2020-03-31 DNS Sons of War** By Danny Earl John s father had always told him to work on developing his focus rather than his special abilities such as cloaking But to John playing with his mutant abilities was much more fun However when John s father is attacked by his enemies John is separated from his mother and father and taken to a compound where he can train in focus and abilities with other children Taking the name Shadow he begins his quest to sharpen his focus and abilities to help him avenge his father What Shadow doesn t know is Lionrobot the son of one of his father s enemies is training surreptitiously at the same compound Sons of War the first in a series of novels is an action packed adventure in an alternate reality where mutants with fantastic abilities face off against nonmutants for control of the galaxy **For the Prince! For the Queen!** Zachary T. Sellers,2023-10-17 His Majesty is ill and no one knows how grave But matters of state must press on All hail Her Majesty to assume her husband s authority But the line of succession is clear Alindale Dain The Prince nobody wants Alindale s reputation is poor among the nobles and ministries He is seen as aloof unconfident and a bore nothing most want in the heir to the throne A few encourage him to become more active but Alindale is uncertain trapped by everyone s low opinion of him However as arising circumstances push him into a conflict with his own mother ruling in his father s place will he take this opportunity to become the prince he needs to be Or is it too late to change anyone s mind Tory Syros The Outsider nobody knows Tory is making her first appearance at court and her first venture outside her home province the Syros Isles yet nobody knows her Worse still she pales in the shadow of her older more well versed beautiful and secretly abusive sister Serina In an effort to set herself apart Tory swims into deeper waters than she ever could have imagined When faced with her own choices will she take a stand for what she believes is right or will she remain silent so the monsters don t notice her Kalleb Kane The Deserter everybody hates Kalleb was a lancer who left his post to join his father and brother in battle but arrived too late After five years of imprisoned hard labor he is granted an exceptional parole and offer to rejoin the Storm Cavalry his family s legacy and be a lancer once again There is a price though He is given the lowest rank and condemned never to be promoted He is assigned to a new company over a troop of boys who have never held a lance in their lives under the command of a captain who despises him and seeks to revoke his parole and to a post that holds regretful memories But as greater events threaten his family Kalleb must decide will he desert again For over 500 years the status of the world has gone unchanged In one year three events will shatter it The first happens in the east **Encyclopedia of Power** Keith Dowding,2011-02 Collects 381 entries that discuss political
