Strategies For Brief Pastoral Counseling:

Strategies for Brief Pastoral Counseling Howard W. Stone, Written by a new generation of recognized experts in pastoral care these brief foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling *Brief Pastoral Counseling* Howard W. Stone, Most pastoral counselors clergy and psychotherapists assume that truly effective counseling requires months or even years Studies have proven otherwise showing that most people come for four or fewer sessions and that the majority of any counseling s effectiveness occurs in the opening few sessions **Strategic Pastoral Counseling** David G. Benner,2003-09-01 Therapeutic counseling in a Christian context can be highly effective when it maintains narrowly focused goals in a time limited setting The details of this proven model of pastoral counseling are described in this practical guide This second edition of Strategic Pastoral Counseling has been thoroughly revised and includes two new chapters Benner includes helpful case studies a new appendix on contemporary ethical issues and updated chapter bibliographies His study will continue to serve clergy and students well as a valued practical handbook on pastoral care and counseling **The First Gentleman** Jacqueline Tuggle Taylor,2012-05 Female leadership has been a topic of debate for centuries between theologians and laity Christians and non Christians as well as men and women This study will present a theological analysis of the debate concerning male and female roles in leadership positions and ministry An analysis of the role of the female pastor s spouse the effects of sexism in religion and how it has influenced the ecclesiology of the church will be examined as well Reflections of case studies employing biblical narratives of couples in the Bible will be used to substantiate the roles of women leaders and their spouses Each scenario identifies the particular role of the husband and the wife specifically when the wife is the spiritual leader Read with anticipation the outcome of biblical interpretation of the roles of the female leader and their spouses **Strategic Pastoral Counseling** ,2005 *The Acts and Proceedings of the General Assembly of the Presbyterian Church in Canada* Presbyterian Church in Canada. General Assembly,2003 *The Resource Guide for Christian Counselors* Douglas R. Flather,1995 This referral directory gives the user immediate access to essential up to date Christian counseling resources It is organized alphabetically under 46 general topics that encompass counseling issues professional issues and educational issues **Feminist and Womanist Pastoral Theology** Bonnie J. Miller-McLemore,Brita L. Gill-Austern,1999 In the last decade the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social political and religious context Feminist and womanist theory as well as feminist and womanist faith convictions have played a key role in this development According to the authors feminists and womanists in pastoral theology have begun to reconstruct the definitions parameters and commitments of pastoral care and counseling These changes have critical implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even

acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in religion and conflicts in theological education in general over the place of practice and theory experience spirituality and practical theology To redress these problems this collection of essays has a threefold aim First the book identifies the many changes occurring in definitions of pastoral theology care and counseling Second the volume defines and develops new methods and approaches Third the authors attend to the implications of these changes for congregational care and theological education Roughly speaking the order of the chapters in this volume follows this threefold agenda moving from an exploration of the changes in pastoral theology to its reconstruction to some of the implications of recent innovations

Short-term Pastoral Counseling Brian H. Childs,1990 **Crisis Counseling** Howard W. Stone,2009 Howard Stone s third edition of his pastoral care best seller Crisis Counseling builds on the strengths of the earlier editions in particular its easily grasped and adopted intervention model and expands it to consider the needs of people facing crisis in a post 9 11 post Katrina world With a thoroughly updated bibliography new case studies and an expanded focus on suicide intervention in volatile or hazardous situations the personal safety of the caregiver and congregational care this new edition continues to be a standard bearer in its field Book jacket **The British National Bibliography** Arthur James Wells,2002 **Multidimensional Ministry for Today's Black Family** Johnny B. Hill,2007 Honey Baby Sweetums Pookie Who knew those sweet androgynous pet names are the first step toward a nonexistent sex life And all those personal grooming activities you used to hide Believe it or not sharing them with your partner puts you on the fast track toward killing a healthy sexual relationship Stop Calling Him Honey and Start Having Sex is a smart sassy and honest guide for women of all ages and looks at the root causes of sexual boredom in a revolutionary way Authors Maggie Arana and Julienne Davis have discovered that it s the everyday things we say and do that sabotage sexual chemistry They dare to pull back the sheets to examine the subtle yet powerful ways we re dulling our desire for our partners while giving simple and practical solutions to rekindle the fire in our relationships This non therapy speak guide explains why date nights and sex in different locations are only Band Aid solutions The truth is if you don t feel like having sex anymore forcing yourselves to do it on the kitchen table is not going to fix the problem In Stop Calling Him Honey and Start Having Sex you ll also learn Why arguing is an important factor in bringing couples closer together Why it is critical to maintain a sense of individuality How sexuality doesn t hinge on having the perfect body but rather on how a woman feels about herself and how she projects those feelings to her partner If your sex life reads more like a service manual than a romance novel stop calling him honey and start rekindling the flame of desire
