**Strictly from God's Perspective: a Godly Man's Guidance to His Family and Fellow Man Volume 2** Reverend Rickey Nelson Jones,2005-04-25 REMOVING the covers from Satan and exposing how he has deceived mankind is never welcomed by any but the rare few individuals a truly living holy i e genuine Christians and b thoroughly read in GODS Word Satan seeks to operate in secret where he can wreck havoc mentally physically and spiritually Addressing i the wickedness of fornication sex outside of marriage ii the I am a Christian falsehood iii the weak church member iv the worlds resistance to holiness v the intentionally blind etc boldly forces people to see themselves for themselves This is always difficult and most will reject it with every fiber of their being For the few who embrace GODS Word as revealed herein salvation and elevation await them

Adam of Bremen's Gesta Hammaburgensis Ecclesiae Pontificum Grzegorz Bartusik,Radosław Biskup,Jakub Morawiec,2022-07-29 Adam of Bremen s Gesta Hammaburgensis Ecclesiae Pontificum is one of the most important accounts documenting the history geography and ethnology of Northern and Central Eastern Europe in the period between the ninth and eleventh centuries Its author a canon of the archdiocese of Hamburg Bremen remains an almost anonymous figure but his text is an essential source for the study of the early medieval Baltic However despite its undisputed status past scholarship has tended to treat Adam of Bremen s account as on the one hand an historically accurate document but on the other a literary artefact containing few if any reliable historical facts The studies collected in this volume investigate the origins and context of the Gesta and will enable researchers to better understand and evaluate the historical veracity of the text

**Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics** Jason B. Hunt, 2019 Cornelius Van Til's Doctrine of God and Its Relevance for Contemporary Hermeneutics seeks to answer the question What does Van Til have to do with hermeneutics It is argued that some of the most relevant concerns in the field of contemporary hermeneutics are similar to those addressed by Van Til in the area of apologetics Van Til's approach involved a self-conscious consistency between method and theology proper in order to reason according to the Christian worldview found in Scripture Just as one's apologetic method should be consistent with the theology revealed in the Bible so also should one's hermeneutic This work not only argues that Van Til has an important place in the hermeneutical discussion but also demonstrates his place in terms of the main contours in his doctrine of God In doing so certain influences on evangelical hermeneutics are considered according to consistency with theology proper Lastly a Van Tillian hermeneutic is applied to the often debated issue concerning the New Testament use of the Old Testament

**A Passionate Commitment** Crawford W. Loritts, 1996-07-05 We regularly attend church know the hymns by heart and teach our children about Jesus We are doing the right things So why do we feel so empty Although Jesus promised His followers an abundant life many Christians struggle with a lack of purpose fulfillment and zeal Underneath all of their Christian activity they feel cold and at times confused about the place and prominence of Jesus Christ in their inner lives The problem according to Crawford Loritts is that we've lost our sense of purpose While we may have a general sense of direction we have assumed that somehow we can work out the details or that everything will just fall into place While we outwardly conform to what we say we believe we privately confess that we know God wants and deserves more from us A Passionate Commitment will help you understand God's purpose for your life by challenging the things the world teaches you to hold dear Crawford Loritts will help you revive your passionate commitment to the God of the universe
