Grammar Angela Downing, 2002 *Functional Perspectives on Grammar and Discourse* Christopher Butler, Raquel Hidalgo Downing, Julia Lavid, 2007 This book a tribute to Angela Downing consists of twenty papers taking a broadly functional perspective on language with topics ranging from the general grammar as an evolutionary product text comprehension integrative linguistics to particular aspects of the grammars of languages Bulgarian English Icelandic Spanish Swedish The more specific papers are sequenced according to Halliday s division into ideational textual and interpersonal aspects of the grammar and cover a wide range of areas including aspect argument structure noun phrase nominal group structure and nominalisations pronominal clitics theme in relation to writing skills discourse structures and markers the role of attention in conversation the functions of topic phatic communion subjectification formulaic language and modality A recurrent theme in the volume is the use of corpus materials in order to base functional descriptions on authentic productions Overall the volume constitutes a panoramic but nevertheless detailed view of some important current trends in functional linguistics

Encyclopedia of Language and Education Leo van Lier, P. Corson, 2013-11-01 *ENCYCLOPEDIA OF LANGUAGE AND EDUCATION* This is one of eight volumes of the Encyclopedia of Language and Education published by Kluwer Academic The publication of this work signals the maturity of the field of language and education as an international and interdisciplinary field of significance and cohesion These volumes confirm that language and education is much more than the preserve of any single discipline In designing these volumes we have tried to recognise the diversity of the field in our selection of contributors and in our choice of topics The contributors come from every continent and from more than 40 countries Their reviews discuss language and education issues affecting every country in the world We have also tried to recognise the diverse interdisciplinary nature of language and education in the selection of the editorial personnel themselves The major academic interests of the volume editors confirm this As principal volume editor for Volume 1 Ruth Wodak has interests in critical linguistics sociology of language and language policy For Volume 2 Viv Edwards has interests in

policy and practice in multilingual classrooms and the sociology of language For Volume 3 Bronwyn Davies has interests in the social psychology of language the sociology of language and interdisciplinary studies For Volume 4 Richard Tucker has interests in language theory applied linguistics and the implementation and evaluation of innovative language education programs
