The Disease to Please: Curing the People-Pleasing Syndrome Harriet Braiker, 2002-03-06 What's wrong with being a people pleaser? Plenty. A fascinating book. If you struggle with where, when, and how to draw the line between your own desires and the demands of others, buy this book. Kay Redfield Jamison, bestselling author of *An Unquiet Mind* and *Night Falls Fast*. People pleasers are not just nice people who go overboard trying to make everyone happy. Those who suffer from the Disease to Please are people who say Yes when they really want to say No. For them, the uncontrollable need for the elusive approval of others is an addiction. Their debilitating fears of anger and confrontation force them to use niceness and people-pleasing as self-defense camouflage. Featured on NBC's Today. *The Disease to Please* explodes the dangerous myth that people-pleasing is a benign problem. Best-selling author and frequent Oprah guest Dr. Harriet Braiker offers clear, positive, practical, and easily doable steps toward recovery. Begin with a simple but revealing quiz to discover what type of people pleaser you are. Then learn how making even small changes to any single portion of the Disease to Please Triangle involving your thoughts, feelings, and behavior will cause a dramatic, positive, and long-lasting change to the overall syndrome. As a recovered people pleaser, you will finally see that a balanced way of living that takes others into consideration but puts the emphasis first on pleasing yourself and gaining your own approval is the clearest path to health and happiness.
