Hardcover Montessori Activities:

Teach Me to Do It Myself Maja Pitamic, 2021-02-21 This is a fun filled practical activity book for children between the ages of three and five. The activities are based on the Montessori teaching philosophy and will give your child the best possible start in achieving essential skills and developing a greater understanding of the world around him. You act as a guide taking your child through the activities to build an essential repertoire of life skills that range from dressing to basic science. No specialized knowledge is required. The activities go step by step and include suggestions for future activities. Only simple preparation is required with materials that are available in most homes. Not only will your child develop his coordination and grow in confidence and self-esteem, you will gain greater insight into your child's development. Best of all, you will be teaching your child to do things for himself and setting him on the road to independence.

The Montessori Toddler Activity Book Beth Wood, 2021-06-08 Inspire confidence, independence, and joyful discovery with at-home Montessori activities for toddlers. The Montessori Toddler Activity Book helps parents and caregivers turn ordinary moments into meaningful learning with over 60 engaging at-home activities, each crafted to align with Montessori principles. Whether you're a devoted Montessori follower or just looking for some structured play ideas, this gentle and easy-to-use guide meets toddlers where they are: curious, capable, and ready to grow. Expert guidance. These activities were created by Beth Wood, a 0-3 and 3-6 year-old accredited Montessori teacher and a 6-12 year-old accredited Montessori assistant. Purposeful activities for ages 1-3. Help toddlers practice motor skills, language, sensory exploration, and more with activities like moving to music, creating a sun catcher, and playing card games. Easy to do at home. All of the activities use common materials you probably have at home and include clear instructions plus tips to adjust for your child's pace and interests. Organized for developmental growth. The activities are sorted into five key areas: motor development, sensory stimulation, language, practical life, and art. Unlock the power of the Montessori method with this activity book designed to nurture your toddler's development through simple, everyday play.

Montessori Activity Book Ananda Store, 2021-06-07 The Montessori method of education was developed by Italian physician Maria Montessori. Emphasizing independence, it views children as naturally eager for knowledge and capable of initiating learning in a sufficiently supportive and well-prepared learning environment. It discourages some conventional measures of achievement such as grades and tests. Montessori developed her theories in the early 1900s through scientific experimentation with her students. The method has since been used in many parts of the world in public and private schools alike. This Montessori workbook works great in a Montessori environment as well as in a regular home school. This unique workbook is designed to keep your little one's absorbent mind engaged. Perfect for preschool, pre-K, and kindergarten, ages 3-7. No previous Montessori experience required. Realistic pictures have been used instead of cartoons to promote learning about the beauty of the real world. Bright, full color to appeal to and engage the young learners. Large size 8.5x11. 70 pages. About Ananda Store. Ananda Store is a mom and dad run publishing company. We are passionate about kids' books, happiness, and
