my name is Luis Angel I am the creator of the Adult Coloring Pages Book Series My biggest inspiration for this is my background in using my mind s imagination to allow me to learn information quickly I compete all over the world in memory competitions and became the Memory Master Champion in 2016 on a hit nationally televised TV Show In order for me to tap into my mind s full power to memorize anything quickly I have to visualize that information in a very creative manner One day I was sitting down at the kitchen table having a hard time beating my personal record score of memorizing a deck of cards in under 5 minutes when I saw my nieces 3 and 7 years old at that time drawing in their coloring books They asked me to join them Being frustrated and stressed out with not being able to accomplish my goals with my memory training trials I took them up on their invitation I set down next to my niece Alise and I began coloring in with them After a few moments of scribbling the colored pencils on top of the princess pages I noticed something My mind started to clear up and my whole body felt much more relaxed than before After some more time of being in this meditative state of mind it hit me I knew exactly what I had to do to succeed at breaking the mental barriers of memorizing the cards at a faster rate Fast forward to late 2015 I competed in the Australian Memory Championship where I placed 1st in the Cards event by memorizing the whole deck in 2 minutes Adult Coloring Pages has increased my ability to stay relaxed under pressure allow my imagination to flow out at will when I m memorizing and be creative with the stories that I must create when I look at any piece of information Coloring has done wonders for my life as I m sure that they will for yours How Adult Coloring Pages Books Help You We all remember during pre school and in our early years of childhood when we sat down and colored on pages without any worry whatsoever Remember how much fun you had filled in the blank spaces with any color that you wished to do so in My blue crayons always went missing during these coloring and relaxing times Blue has always been my favorite color and it was the one that I relied on heavily during my young aged coloring craze Back then we didn t have to worry about paying the bills or needing to provide food for our loved ones We didn t focus on politics or how much gas had risen in price for the week We were kids and loved to have fun in worry and stress free environments Coloring whether at school or at home was a part of that fun filled life Bring it back into your life and allow yourself to tap into that childlike ability to focus and be creative in order to relax your mind
