

SOUND RECORDING PRACTICE

A photograph of a recording studio. In the foreground, a person with short hair, wearing a light-colored t-shirt, is seated at a large, complex mixing console. The console is filled with numerous sliders, knobs, and buttons, many of which are illuminated with green lights. In the background, a computer monitor displays a software interface, and a large black studio monitor with a red tweeter is visible. The studio is dimly lit with warm, orange-toned lights, creating a professional and focused atmosphere.
