## Sound Current:

**The Sound Current Tradition** David Christopher Lane,2022-07-14 The practice of listening to subtle inner sounds during meditation to concentrate and elevate the mind has a long history in various religions around the world including Islam Christianity Hinduism Buddhism Jainism and Sikhism Today there are a number of new religious movements that have made listening to the inner sound current a cornerstone of their teachings These groups include the Radhasoamis the Divine Light Mission Eckankar the Movement of Spiritual Inner Awareness MSIA MasterPath the Sawan Kirpal Mission Quan Yin Ching Hai Manavta Mandir ISHA and a number of others In this study we provide a historical and comprehensive overview of these movements and how they have incorporated listening to the inner sound as part of their spiritual discipline We are particularly interested in the distinctive and nuanced ways that each group teaches how to listen to the inner sound current and how they interpret it in their own unique theologies
