

# Rainbow Walk

## You will need

- a pencil
- a copy of the The Rainbow Activity sheet

## How to Complete Your Rainbow Walk

1. Decide where you would like to go for a walk. You can go on a road or ride a bike, if you prefer.
2. As you walk, you need to look for items that are the colours of the rainbow - red, orange, yellow, green, blue, indigo and violet. Indigo is more of a bluish purple and violet is more of a purplish purple.
3. These items could be natural items, such as leaves or flowers, or human-made items, such as a fence door or car.
4. When you find an item, you can write its name or draw a picture of it in the rainbow. If you run out of time, you can draw your picture outside of the rainbow.
5. Add red items to the red section, orange items to the orange section and so on.
6. Try to find a few examples of each colour. Can you complete the whole rainbow?
