Commons**

The Really Final Solution:

The Architect of Genocide: Himmler and the Final Solution Richard Breitman, 2022-09-05 A historian's carefully researched work based on a vast array of sources documenting Hitler's and Himmler's responsibility for the murder of European Jewry. The book details the planning and the improvisations but emphasizes the former and Himmler's fanatical hatred of the Jewish race as the determinative cause of the Holocaust. Dealing with a charged controversy, Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing, i.e. that the Holocaust was not a reflex of Hitler's fear that the war in Russia could not be won. Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate. Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands, many still alive and never tried, and the complicity or silence of millions were needed to carry out the murder. The book concludes that Himmler's brutality was more learned than instinctive or emotional, a methodical murderer impelled by racist dogma.

Foreign Affairs: Breitman's book is decisively important. It should serve for years to come as required reading for all who wish to make sense of the Holocaust. Daniel Jonah Goldhagen, *The New Republic*: Looking nothing like the Nordic ideal he advocated, Heinrich Himmler, chief of the Nazi SS, was short, flabby, and balding, his dull, pedantic exterior disguising the caustic, cowardly, Machiavellian, immensely cruel master of deceit within. Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler, a Bavarian and lapsed Catholic, and his boss, Adolf Hitler. Drawing on previously untapped German records, as well as other source materials, this engrossing, detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration.

Publishers Weekly: A truly path-breaking book, one of the few that will have a lasting impact on historical research of the period. It shows both the primacy of Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology.

Holocaust and Genocide Studies: Chilling expert history. Kirkus: An eminently sensible and judicious study that could well serve as a textbook on the topic. The Historian: Breitman's research is meticulous. Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler, who it is known seldom signed an order. Mr. Breitman presents his arguments cogently. Michael H. Kater, *The New York Times*: An absorbing, important book that addresses the sequence of steps leading to the Final Solution. Financial Times: As Breitman persuasively demonstrates, the situation kept changing, but Hitler was always in charge, and his goals always included ridding his empire of the Jews. Los Angeles Times: Breitman is on the hunt for smoking guns. He finds the goods littered throughout Himmler's speeches and conversations. Breitman shows that people knew. Washington Post Book World: The book is chillingly good on the uses and abuses of language to mask atrocity. Newsday: Breitman's study is an important addition to the literature on the origins of the Nazi genocide, one that provides the most likely scenario and settles important, disputed questions. Breitman's

study is a major step forward in our understanding of how the Nazis initiated mass murder German Studies Review An important book I much admire this work particularly for its resourceful combing of primary material there is much to learn from this book about the Final Solution its origins its implementation and its hate inspired architect The American Historical Review **Coal-tar and Ammonia** Georg Lunge,1887 Approaches to Auschwitz, Revised Edition Richard L. Rubenstein,John K. Roth,2003-08-31 Distinctively coauthored by a Christian scholar and a Jewish scholar this monumental interdisciplinary study explores the various ways in which the Holocaust has been studied and assesses its continuing significance The authors develop an analysis of the Holocaust s historical roots its shattering impact on human civilization and its decisive importance in determining the fate of the world This revised edition takes into account developments in Holocaust studies since the first edition was published *Days of Remembrance of the Victims of the Holocaust* ,1989 Shoah Claude Lanzmann,1995 A nine and a half hour documentary on the Nazi extermination camps Shoah the Hebrew word for Holocaust was internationally hailed as a masterpiece upon its release in 1985 Shunning any re creation archival footage or visual documentation of the events filmmaker Claude Lanzmann relied on the words of witnesses Jewish Polish and German to describe in ruthless detail the bureaucratic machinery of the Final Solution so that the remote experiences of the Holocaust became fresh and immediate This book presents in an accessible and vivid format the testimony of survivors participants witnesses and scholars This tenth anniversary edition published on the fiftieth anniversary of the liberation of the camps is newly revised and corrected in order to more accurately present the actual testimony of those interviewed Shoah is an unparalleled oral history of the Holocaust an intensely readable journey through the twentieth century s greatest horror In the Shadow of the Holocaust James F. Tent,2003 James Tent recounts how these men and women from all over Germany and from all walks of life struggled to survive in an increasingly hostile society even as their Jewish relatives were disappearing into the East It draws on extensive interviews with twenty survivors many of whom were teenagers when Hitler came to power to show how half Jews coped with conditions on a day to day basis and how the legacy of the hatred they suffered still lingers in their minds Essential Physics John Matolyak,Ajawad Haija,2013-12-17 Fluency with physics fundamentals and problem solving has a collateral effect on students by enhancing their analytical reasoning skills In a sense physics is to intellectual pursuits what strength training is to sports Designed for a two semester algebra based course Essential Physics provides a thorough understanding of the fundamentals of ph **Containing book III., chapter VI. and last, The foundations of ethic. Lessons and Legacies VI Peter Hayes, Jeffrey Diefendorf, Dagmar Herzog, Holocaust Educational Foundation, 2004 In the courtroom and the classroom in popular media public policy and scholarly pursuits the Holocaust its origins its nature and its implications remains very much a matter of interest debate and controversy Arriving at a time when a new generation must come to terms with the legacy of the Holocaust or forever lose the benefit of its historical social and moral lessons this volume offers a richly varied deeply informed perspective on the practice interpretation and direction of Holocaust research now and in the future In their essays the authors an international group including eminent senior scholars as well those who represent the future of the field set the agenda for Holocaust studies in the coming years even as they give readers the means for understanding today's news and views of the Holocaust whether in court cases involving victims and perpetrators international national and corporate developments or fictional documentary and historical accounts Several of the essays such as one on nonarmed *amidah* or resistance and others on the role of gender in the behavior of perpetrators and victims provide innovative and potentially significant interpretive frameworks for the field of Holocaust studies Others for instance the rounding up of Jews in Italy Nazi food policy in Eastern Europe and Nazi anti-Jewish scholarship emphasize the importance of new sources for reconstructing the historical record Still others including essays on the 1964 Frankfurt trial of Auschwitz guards and on the response of the Catholic Church to the question of German guilt bring a new depth and sophistication to highly charged sharply politicized topics Together these essays will inform the future of the Holocaust in scholarly research and in popular understanding

The Review of Reviews William Thomas Stead, 1898

Nazism, War and Genocide Neil Gregor, 2005 Now available for the first time in paperback this volume of specially commissioned essays brings together contributions by internationally recognised scholars from Britain Germany and the USA to present and reflect upon the latest research on the history of the Third Reich The book provides a new approach to the history of Nazism's racial policy its social policy its planning for war and genocide and its legacy It shows how Nazism's radical ideological drive penetrated the most diverse areas of German

society and everyday life It reminds us that the crimes of the Third Reich were ultimately born of the decisions of a political military and administrative leadership of singular ambition drive and brutality *The Downside Review* ,1970 The Quarterly Review William Gifford,Sir John Taylor Coleridge,John Gibson Lockhart,Whitwell Elwin,William Macpherson,William Smith,Sir John Murray IV,Rowland Edmund Prothero (Baron Ernle),George Walter Prothero,1934
