## **To Jerusalem Back:**

*Back to Jerusalem with All Nations* Ezra Jin, Mingri Jin, 2016 For the Chinese Churches on the Chinese mainland the Back to Jerusalem Movement became the catalyst for the evangelical revival of the church and a turning point in their missionary role in the propagation of the gospel Originally founded in the 1940s as an eschatological movement with the aim of preaching the gospel westwards towards Jerusalem to prepare for the Second Coming of Jesus Christ by the 1980s despite persecution Back to Jerusalem was known not only in the western part of China but also by the Chinese house church leaders who fled outside to the West for asylum However as a modern evangelical movement the Chinese Churches Back to Jerusalem Movement is under scrutiny for its theological foundation and authenticity This book seeks to answer questions and criticism and fill the gap in Bible Studies and biblical criticism The author traces the historical roots of the Back to Jerusalem Movement in China and establishes the scriptural sources in both the Old Testament and New Testament for the benefit of the Chinese Churches today and for their vision and development in the future Recent mission history has thrown up some resounding slogans that owe more to pragmatic zeal than to clear biblical teaching Ezra Jin demonstrates that the well known Back to Jerusalem phrase need not fall victim to that accusation He surveys in careful exegetical depth the place of Jerusalem Zion both in the eschatology of the book of Isaiah and in the theology and practice of the Apostle Paul On this foundation he claims that Back to Jerusalem can be properly understood as a missional vision with biblical roots and that it should not be identified with Christian Zionism dispensationalism or at the other extreme replacement theologies In fact he strongly warns his Chinese churches to have the theological maturity to avoid such views is call to the Chinese church is to see Back to Jerusalem as a part a theologically and strategically significant part but still only a part of that wider biblical mandate that summons all Christians of every nationality to engage in God s world wide mission from all nations to all nations Christopher J H Wright Langham Partnership author *The Mission of God Discover the Back to Jerusalem movement* This book invites serious reflection and leads to growing expectation with regards to the Back to Jerusalem vision as a movement from all nations not only from China Stimulate your imagination on how you can engage in this emerging movement out of this documented history of a committed few As a respected leader in China author Rev Ezra Mingri Jin speaks for Christians throughout the nation but he is increasingly being heard around the world His amazing story has been written up in the Wall Street Journal and in the Chicago Tribune Don t miss it Luis Bush *Transform World Connections* Ezra Jin was born in Heilongjiang the North East part of China He graduated from Beijing University and Yanjing Seminary In 2002 he studied abroad in Fuller Theological Seminary Under the supervision of the well known New Testament scholar Dr Seyoon Kim he completed his research entitled *Back to Jerusalem with All Nations a Critical Examination of the Biblical Foundations of the Back to Jerusalem Movement of Chinese Churches* and received his D Min degree In 2008 he returned to China and started Zion Church in Beijing Pastor Ezra Jin is the founder of China Christian Seminary Beijing and is currently

*Xinjiang* Paul Hattaway, 2025-03-31 In The China Chronicles Paul Hattaway draws on more than 30 years experience in China and numerous interviews with church leaders to provide insight into how the Living God brought about the largest revival in the history of Christianity Xinjiang a vast region in northwest China has been much in the news in recent years because of the plight of more than one million Muslim Uyghur people there But Xinjiang also has a long Christian history Today there are nearly one million believers mostly among the Han Chinese who have migrated into the region in recent decades In this book the sixth in the series Hattaway focuses on the heroic efforts to reach the Uyghurs and other Muslim groups who remain largely untouched by the gospel

**The Two Tests: The Supernatural Claims of Christianity Tried by Two of Its Own Rules** Lionel Lisle, 2022-09-16 In The Two Tests The Supernatural Claims of Christianity Tried by Two of Its Own Rules Lionel Lisle embarks on a literary journey to explore the theological underpinnings of Christianity through a unique lens Using two cardinal rules purported by the Christian faith itself Lisle applies rigorous scholarly analysis to dissect and understand the veracity of its supernatural claims The book marked by its profound dialectical style is firmly rooted within the philosophical and religious debates of the time engaging with a tradition of critical religious thought that seeks to evaluate faith through the apparatus of reason and internal consistency Lisle s work is at once a testament to the time honored practice of theological reflection and a manifestation of the emergent modern critical spirit Lionel Lisle is not merely a detached critic but an author whose intellectual quest seems grounded in earnest curiosity and a genuine search for truth The motivations behind Lisle s examination of Christianity could be born out of a personal grappling with faith a scholarly pursuit or a combination thereof This dedication and pursuit of philosophical and theological understanding illuminate the pages of The Two Tests providing insight into both the author s mind and the broader theological inquiries of his era The Two Tests is a compelling read for those intrigued by the interplay of faith reason and the quest for spiritual authenticity It is recommended for scholars and lay readers alike who are seeking a nuanced and intellectually rigorous examination of Christian claims Lisle s work serves as an intermediary between the faithful and skeptics guiding both through the complex landscape of theological debate with both a critical eye and a seeker s heart
